## New Medical and Behavioral Health Prior Auth Forms

Molina Healthcare of Illinois (Molina) has recently updated some of our most [Frequently Used Forms](#). They have been revised with new/updated information and streamlined for ease of use by the provider. We ask that you disregard/delete previous versions of these documents and use these versions **exclusively**:

Important among the updates are:

- New fax numbers for MMP/Medicaid authorizations.
- Required provider information is streamlined and reorganized.
- Removal of unnecessary details.

If you are unsure whether prior authorization is needed, refer to the [Prior Authorization LookUp Tool](#). Also, the Prior Authorization Codification List is updated regularly; find it on the [Frequently Used Forms](#) page under Authorization Requests.
