Timeline for Inpatient Admission Notification to Change on February 1, 2022

Molina Healthcare of Illinois (Molina) announces an updated Utilization Management process for Medicaid and MMP/Duals lines of business. Beginning on **February 1, 2022**, providers will have two business days to notify Molina of inpatient admissions to any type of facility and to send all clinical documentation. This new timeline will allow providers to furnish Molina with supporting documentation in a more comprehensive manner.

Providers should use the [Molina Availity Provider Portal](#) to submit notification and clinical; this is the preferred method. As an alternative, providers may fax notification and clinical to (866) 617-4971.
