RE: Reimbursement Fee schedule change (PL A-4)

Effective September 1, 2022, the Kentucky Department for Medicaid Services (DMS) will reimburse fee for service claims provided by provider type 06 Chemical Dependency Treatment Centers from the KY Medicaid Fee-for Service Behavioral Health & Substance Abuse Services Inpatient (Facility) Fee schedule. This change applies to both outpatient and inpatient services.

Fee for service claims with dates of service beginning September 1, 2022, paid at the old rate will be adjusted to pay the new rate once the system is updated with the change.
