Provider Notice: Cardiology, Oncology, Transition effective August 3, 2026

Overview

Molina Healthcare is committed to improving health outcomes for our members through evidence-based, high-quality, and cost-effective care. As part of this commitment, Molina is implementing enhancements across Cardiology and Oncology through a partnership with a specialized clinical management organization. This notice serves as formal notification of program changes under your Participating Provider Agreement.

Cardiology and Oncology Quality Management Program

Molina Healthcare is partnering with Evolent Health (formerly New Century Health) to administer Cardiology and Oncology Quality Management programs.

Effective August 3, 2026, prior authorization through Evolent will be required for Molina members for the services listed below, when ordered by any provider specialty and rendered in office, ambulatory, outpatient hospital, or applicable inpatient settings.

Services Requiring Authorization

Cardiology

- Elective diagnostic cardiovascular services
- Interventional cardiovascular services (*professional services only when rendered in an inpatient setting*)

Oncology

- Chemotherapeutic agents
- Supportive and symptom-management medications
- Radiation oncology services
- CAR T-cell therapy (*inpatient only*)

Program Enhancements

- Real-time authorizations using nationally recognized, evidence-based clinical guidelines
- Eligibility verification available within the Evolent provider portal
- Online and telephonic submission options
- Physician-to-physician clinical discussions with cardiology, medical oncology, and radiation oncology specialists
- Dedicated practice engagement support

Submission Methods

Beginning **August 3, 2026**, all new prior authorization requests for applicable services must be submitted to Evolent:

- **Online Portal:** <https://carepro.evolent.com>
- **Phone:** 1-888-999-7713 (Monday–Friday, 8:00 a.m. – 8:00 p.m. EST)
 - Option 1: Cardiology
 - Option 2: Medical Oncology
 - Option 3: Radiation Oncology

Authorizations issued by Molina Healthcare of Massachusetts prior to August 3, 2026, will remain valid through their existing expiration date.
