

****UPDATE****

Denials of Claims for MIHP Services

Molina Will Automatically Correct Affected Claims

Molina Healthcare of Michigan has corrected a claims processing issue that has resulted in erroneous denials of claims for covered Maternal Infant Health Program services. All affected claims for Dates of Service back to 01/01/2020 will be sent for reprocessing. Please allow 30 days for the adjustment process. After 30 days, if you have what you feel is an affected claim that has not been corrected then please submit a formal dispute online at <https://provider.molinahealthcare.com/>.

As a reminder, Molina Healthcare of Michigan has incorporated the following provisions for the Maternal Infant Health Program in accordance with State of Michigan guidelines:

- Only one assessment is allowed per pregnancy and per infant.
- Reimbursement is allowed for one professional visit per beneficiary per date of service, regardless of place of service.
- Maternal beneficiaries are only allowed up to **nine** professional visits per pregnancy.
- Infant beneficiaries are allowed up to **nine** professional visits. With an accompanying physician order, infant beneficiaries may receive an additional nine visits (for a total of 18). Providers should indicate they have a physician order using the MDHHS 5650 Communication Form. Providers should retain documentation of either the Communication Form or the Physician Order in their medical records.
- For beneficiaries with a diagnosis of drug-exposed infant, these beneficiaries may receive the previously mentioned 18 visits, plus an additional 18 visits (for a total of 36 visits) with a physician order indicating this diagnosis and using the drug-exposed procedure code(s). Providers should indicate they have a physician order using the MDHHS 5650 Communication Form. Providers should retain documentation of either the Communication Form or the Physician Order in their medical records.

Please refer to the full instructions included in the 5650 Communication Form.

Please ensure you are reviewing the MDHHS Provider Manual and MIHP Operations Guide for specific age requirements before rendering and billing for services. The MDHHS Provider Manual and MIHP Operations Guide can be found at:
