INTRODUCTION

Molina Healthcare of Mississippi is contracted with the Mississippi Division of Medicaid as one of the vendors to administer the CHIP program. We appreciate the trust and confidence you have placed in us as a member of Molina Healthcare of Mississippi and look forward to serving your health care needs.

HOW TO FIND WHAT YOU NEED IN THIS DIRECTORY

Each section is sorted by:

- The county that the provider's office is in,
- Then, it is sorted by the specialty of the provider,
- Then, it is sorted alphabetically by the last name of the provider or the name of the provider group.
- For Primary Care Provider (PCP), the name, address, phone number, office hours, languages spoken and hospital affiliation are included.

CHOOSING OR CHANGING YOUR PRIMARY CARE PROVIDER (PCP)

You should pick a PCP for each person in your family. You do not have to pick the same PCP for each person. PCPs are healthcare providers that give care in Family Practice, Pediatrics, Obstetrics and Gynecology and Internal Medicine. Your PCP will take care of your health care needs. Look in the Molina Provider Directory for a list of Molina Healthcare PCP names and addresses. If you want to change your PCP, please call Molina's Member Services. We will help you choose a different PCP. Do you have a special health problem? If so, you may be able to pick a specialist as your PCP. Call Molina Healthcare's Member Services at our toll free number 1-844-809-8438, TTY/TDD 711.

SEEING A SPECIALIST OR OTHER PROVIDER

You may need to see a specialist or get other types of services. A specialist is a provider that has training to treat a medical disease or condition. Other health companies offer services that help you get well. These services include medical supplies and home health care. You need a referral from your PCP to get these services.

WHAT TO DO IF YOUR PROVIDER IS NOT LISTED

If your provider is not listed, please visit our website at MolinaHealthcare.com, or call Molina Healthcare's Member Services at 1-844-809-8438, TTY/TDD 711. We are constantly adding new providers to our health plan to better serve our members.
