## Nebraska Medicaid PDL Changes Effective January 16<sup>th</sup>, 2026

**01/16/2026**

---

Molina Healthcare is alerting providers that changes have been made to the Nebraska Medicaid Preferred Drug List (PDL).

Effective January 16<sup>th</sup>, 2026 the Nebraska Medicaid Pharmacy and Therapeutics Committee (P&T) has approved updates to the Nebraska Medicaid PDL following the October 2025 review. These changes aim to promote cost-effective, evidence-based prescribing while maintaining medication access for Molina members. Major updates include the addition of new agents, movement of medications between preferred and non-preferred status, and drug-specific criteria changes. Providers are encouraged to review the state provider bulletin listing all changes to the PDL located here:

[Medicaid Provider Bulletin 25-28: Changes to the Nebraska Medicaid Preferred Drug List \(PDL\)](#)

Prior authorization forms and the most up-to-date version of the Preferred Drug List may be found here:
