Re: Medicaid Provider Manual Addendum

Dear Providers,

The Molina Medicaid Provider Manual has been updated to include an addendum to page 23, section 4, titled **Member Rights and Responsibilities**, subsection titled **Child/Adolescent Specialist Visits**.

Adding this language helps ensure Molina and its Network Providers allow access to a child/adolescent specialist if the parents request it, consistent with Molina's Time Access Procedure Document.

The following new language will be added:

Child/Adolescent Specialist Visits

Molina and its Network Providers must allow access to a child/adolescent specialist if requested by the parents, consistent with Molina's Time Access Procedure Document.

You can view this online here: [Provider Manual](#) (MolinaHealthcare.com/NV > Provider Resources > Provider Materials > Provider Manual).

Thank you for your continued partnership.
