

# MCG Cite AutoAuth Provider Access QRG

## REFERENCE GUIDE

The following steps outline how providers can submit Prior Authorization requests utilizing the MCG Cite AutoAuth process. This QRG is specific to AutoAuth for Advanced Imaging.

<p><b>Step 1</b></p> <p>User will sign into Availity using their sign in credentials. Once logged in, user will select the drop down under Payer Spaces and choose the appropriate icon (for most this will be the Molina Healthcare icon seen to the right)</p>	
<p><b>Step 2</b></p> <p>User will scroll down and choose Applications and then click on Prior Auths</p>	
<p><b>Step 3</b></p> <p>User will complete Tax ID, State, Medicare, Provider ID fields and then select Create Service Request/Authorization under the Service Request/Authorization Option field. Once all of the above fields have been addressed, select Continue.</p>	

#### Step 4

User will select submit on the page informing them they are about to be re-directed to a third-party site away from Availity's secure site.

### Create Service Request/Authorization

You are about to be re-directed to a third-party site away from Availity's secure site, which may require a separate log-in. Availity provides the link to this site for your convenience and reference only. Availity cannot control such sites, does not necessarily endorse and is not responsible for their content, products, or services. You will remain logged in to Availity.

Cancel

Submit

#### \*\*Note

If this is user's first time signing in via Availity they will be required to accept the acknowledgement message seen in the screen capture to the right

#### Acknowledgment

Please indicate that you have read and agree to the terms presented in the [Provider Online User Agreement](#) and [Terms of Use](#)

Accept

Decline

#### Step 5

- Member from a participating AutoAuth state and line of business
- Type of service: Diagnostic Radiology
- Place of service: Outpatient
- \*\*\*Transplant Screening-No (New field)
- Only Advanced Imaging Procedure codes
- Supporting clinical documentation attached
- Referred to contracted provider/facility

Attachments

Select Attachment Type for each file

Type of Attachment: 77 - Support Data for Verification

DRAG FILES HERE OR BROWSE Done

test\_fax\_for\_UAT.pdf  
76.80 KB

Supported file formats are PDF, TIF, JPG, BMP and GIF. Upload 1 file at a time and continue uploading until you complete the attachments. Total Size of all Attachments should not exceed 128 MB.

Clinical Notes/Comments 8000 Characters (Max), 5000 characters remain

Remarks:

Save Clear Cancel Continue to MCG Save T

### Step 7

Upon selecting "Continue to MCG" the MCG Authorization Request screen will pop up in a new window on top of the service authorization request screen

User will select "Document Clinical"

The screenshot shows the MCG Authorization Request interface. At the top, there's a progress bar with three steps: 1. Request Form (completed), 2. Document Clinical (current step), and 3. Submit Request. The patient information includes Patient ID: 12345678, Name: Member, Marketplace, DOB: 07/28/1964, and Gender: Male. The authorization details show: Authorization: EPS-MCG2120990011, Type: Procedure Pre-authorization, Status: NoDecisionYet, Diagnosis Codes: C34.90(ICD-10 Diagnosis) primary, and Procedure Codes: 78811 (CPT/HCPCS) primary. Under Geographic Regions, there's a dropdown set to 'All' and a 'Clear' button. The procedure details section shows Procedure Code: 78811 (CPT/HCPCS), Requested Units: 1, and Description: PET IMAGING LIMITED AREA CHEST HEAD/NECK. A red box highlights the 'Document Clinical' button. At the bottom, there are buttons for 'Submit Request', 'Cancel Request', and 'Back'.

### Step 8

User will select boxes next to each indication that member meets. Once all applicable indications are checked, user will select save

This screenshot shows the 'Indications' section of the MCG Authorization Request form. It lists several criteria for the procedure, each with a checkbox. The first three are checked: 'The procedure is/was needed for appropriate care of the patient because of ...', 'Cancer or neoplasm, initial evaluation or staging needed (from diagnosis through initial staging), as indicated by ...', and 'Additional imaging information required to assess ...'. Other unchecked indications include 'Anatomic extent of tumor, if results will assist with selection of optimal antitumor treatment', 'Appropriateness of patient for invasive diagnostic or therapeutic procedure', 'Optimal anatomic location for invasive procedure', 'PET or PET-CT not yet performed (prior to initiation of treatment)', 'Solid tumor malignancy, biopsy-proven or strongly suspected', 'Treatment not yet initiated', 'Type of tumor is ...', and 'Cancer or neoplasm, subsequent evaluation or staging needed (after completion of initial treatment through monitoring for recurrence), as indicated by ...'. A red box highlights the 'Save' button at the bottom right of the indications section. The 'Submit Request', 'Cancel Request', and 'Back' buttons are also visible at the bottom of the screen.

## Step 9

User will then select Submit Request

**Authorization Request** Request Form Document Clinical 3

## Step 10

Once request is submitted user will be prompted to close the pop-up window to complete the service request submission

https://provideru03.molinahealthcare.com/ServiceRequest/MCGAutoAuthSubmitRequ...  
https://provideru03.molinahealthcare.com/ServiceRequest/MCGAutoAuthSubmitRequest?l...

Please close this popup by clicking on (X) to proceed with Service Request Submission.

## Step 11

Once pop up window is closed user will receive confirmation message with the following details:

- Tracking number
- MCG Episode ID
- Authorization status (Approved or In Review)

If Approved, provider can proceed with service requested.

If In Review, the request will undergo the current internal review process and provider will be notified of decision using the current notification process

**Service Request/Authorization Form**

For Medicare Part B drug provider administered drug therapies, please direct Prior Authorization requests to Novologix for submission. For a list of codes requiring Prior Authorization, please refer to the Prior Authorization Lookup Tool. You may access the Novologix portal via this [SSO link](#) here or fax in a prior authorization at 800-391-6437

Submission Tracking Number: 2119490005 Add another Service Request/Authorization for the Member

EpisodeID : EPS-0000395

Authorization Status : **APPROVED**

Based on the information provided, your request for services has been approved. However, Prior Authorization is not a guarantee of payment for services. Payment is dependent on member eligibility at the time of service, benefit coverage and limitations, provider agreements, and submission of accurate claims.
