Molina Healthcare and PsychHub Partner for Mental Health Resources

Because good behavioral health is vitally important for everyone, Molina Healthcare is committed to doing all we can to support mental wellbeing for providers and members. By joining PsychHub's coalition partnership, Molina can now offer providers and members access to the Mental Wellbeing Resource Hub. This free library of resources helps address mental health issues during the COVID-19 pandemic and beyond. Members and providers can search for resources by keyword, topic, and audience. To access the Mental Wellbeing Resources Hub, go to:

<https://psychhub.com/initiatives/resource-hub/>

MolinaHealthcare.com

The Provider Newsletter is a newsletter available to all network providers serving Molina Healthcare Members.

MASK COVID... NOT YOUR EMOTIONS.

Mental Health Ally Certification (MHAC) Program:

Through partnership with PsychHub, in-network primary care and specialty providers are offered free continuing education credits, Mental Health Ally Certifications, and additional learning opportunities. The MHAC Library offers micro-certification tracks focused on critical topics like mental health competency foundations, substance use awareness, safety planning, diversity, and motivational interviewing basics. The MHAC is made up of eight one-hour, self-paced modules that can be taken in any order, as well as supplemental videos, podcasts, and downloadable PDF file. This certification program is available to all providers/provider offices and recommended for those interested in strengthening their knowledge and competency of behavioral health issues and concepts like primary care, office management and nursing.

To access learning hub resources, go to <https://lms.psychhub.com/> and create an account by clicking 'Log In.' Click the Dashboard button on the navigation toolbar and select 'Join Cohort with Code.' Use the following provider Cohort Code: **sGDcuXXmQXZEGsu**.

Please reach out to your local Provider Services Representative for any additional questions!

New Provider Online Directory

Molina Healthcare is getting a new Provider Online Directory. Check it out at MolinaSapphireThreeSixtyFive.com!

Molina is committed to improving your online experience. The new Provider Online Directory enhances search functionality so information is available quickly and easily.

Key benefits include:

- User-friendly and intuitive navigation
- Provider profile cards for quick access to information
- Browsing by category, search bar, and common searches
- Expanded search options and filtering for narrowing results
- Provider information you can save to use later

As always, please make sure your provider information is correct. This allows Molina to accurately generate provider directories, process claims, and communicate with our network. Providers must notify Molina in writing at least 30 days in advance of changes:

Roster and Non-Roster Submissions: Submit your most current roster following the standard process to Molina's Network Operations Team: MHNYNetworkOperations@MolinaHealthCare.Com

Demographic Changes: Demographic changes can be also be submitted to MHNYNetworkOperations@MolinaHealthcare.com. There's also a Provider Change Information Form on the provider website MolinaHealthcare.com under "Forms" that can be emailed to that address.

Naloxone Saves Lives!

On July 23, 2020, the Food and Drug Administration (FDA) issued updated recommendations regarding the use and availability of naloxone. The FDA recommends that health care professionals consider prescribing naloxone to patients taking prescribed opioid pain medicine who are at increased risk of opioid overdose, and discuss the availability of naloxone both when beginning and renewing treatment. Furthermore, health care professionals should consider prescribing naloxone to at-risk patients who are not receiving a prescription for an opioid pain reliever or medicine to treat opioid use disorder (OUD).

Patients considered HIGH RISK include those prescribed opioids who:

- Receive a dosage of 50 morphine milligram equivalents (MME) per day or greater
- Receive opioids with concurrent benzodiazepine (regardless of opioid dose)
- Have a history of overdose
- Have a history of substance use disorder

If your patients are considered HIGH RISK, please consider submitting a prescription to their pharmacy for one of the preferred naloxone products listed below.

Preferred Naloxone Products:

- NALOXONE SOLUTION PREFILLED SYRINGE FOR INJECTION 2MG/2ML
- NARCAN NASAL SPRAY 4MG

For naloxone to be effective, members and their friends and family must learn how to use it, put it in an easily accessible place, and inform family and friends where it is located.

Is Your Authorization Request Urgent?

Molina renders decisions on prior authorization requests as quickly as a member's health requires. In accordance with CMS and state guidelines, providers may submit expedited or urgent requests when standard timelines could seriously jeopardize a member's life or health.

When submitting prior authorization requests, keep the following items in mind:

- An urgent/expedited service request designation should be used only when “applying the standard time for making a determination could seriously jeopardize the life or health of the enrollee or the enrollee’s ability to regain maximum function.” When submitting requests that don’t fulfill this definition, please mark them elective/routine on the Molina Prior Authorization Request Form.
- By requesting an expedited/urgent authorization, providers are asking Molina to make a decision within mandated timeframes. Because these timeframes are measured in hours rather than days, the provider or provider’s office staff must be available to answer any potential questions about the request in a timely manner.
- Submit all necessary information with the request. Failure to do so will require Molina to ask for additional information, which could delay the decision. If Molina requests more information, we urge providers to respond immediately to allow Molina to render a decision within the mandated expedited timeframe.
- Molina will provide member prior authorization notification and decisions in accordance with CMS and/or any state guidelines which may include verbal and written decisions.

Culturally Competency Resources for Providers and Office Staff

Molina Healthcare is committed to being a culturally competent organization. We support and adhere to the National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care as established by the Office of Minority Health. Additionally, we work to achieve NCQA's Multicultural Health Care Distinction in the markets we serve. Cultural and linguistic competency is the ability to provide respectful and responsive care to members with diverse values, beliefs and behaviors, including tailoring health care delivery to meet members' social, cultural and linguistic needs

 - Communicating with Individuals who Are Blind or Visually Impaired; Deaf or Hard of Hearing; Communicating with Individuals with Mobility Impairments; Speech Impairments; and Communicating with Seniors.

Please contact your Provider Services Representative if you have any questions.

Molina's Language Access Services

Accurate communication strengthens mutual understanding of illness and treatment, increases patient satisfaction, and improves the quality of health care. Providing language access services is a legal requirement for health care systems that receive federal funds; a member cannot be refused services due to language barriers. When needed, Molina provides the following services directly to members at no cost:

- Written material in other formats (i.e. large print, audio, accessible electronic formats, Braille)
- Written material translated into languages other than English
- Oral and Sign Language Interpreter Services
- Relay Service (711)
- 24-Hour Nurse Advice Line
- Bilingual/Bicultural Staff

In many cases, Molina Healthcare of New York, Inc. will also cover the cost for a language or sign language interpreter for our members' medical appointments. Molina members and providers are instructed to call the Member and Provider Contact Center to schedule interpreter services or to connect to a telephonic interpreter.

Also, Molina's materials are always written simply in plain language and at required reading levels. For additional information on Molina's language access services or cultural competency resources, contact Provider Services or visit www.MolinaHealthcare.com.

Submitting Electronic Data Interchange (EDI) Claims

Submitting claims electronically through methods like clearinghouses or through Molina's Provider Portal offer many advantages. These include:
