Telehealth Place of Service (POS) 02
Information for all Medicaid and MyCare Ohio providers

As of Nov. 15, 2020, the Ohio Department of Medicaid (ODM) fee-for-service no longer accepts Place of Service (POS) 02 on telehealth claims where Medicaid is the primary payer.

Effective Nov. 15, 2020, Telehealth place of service (POS) 02 should NOT be billed on claims submitted to Molina, unless stated otherwise in ODM’s telehealth billing guidelines.

Molina encourages providers to adopt this change as soon as possible. Claims billed with POS 02 will be denied where Molina Medicaid is the primary payer for DOS Jan. 1, 2021 and after. The POS on the claim must reflect the physical location of the practitioner at the time the telehealth service was delivered and not POS 02.

For Home Health services, RN Assessment service and RN Consultation service, POS 02 should continue to be billed for these services provided using telehealth.

Post-Acute Prior Authorization Update
Information for Post-Acute Medicaid and MyCare Ohio Medicare and Medicaid providers

Effective Nov. 12, 2020, Molina began to temporarily relax the Prior Authorization (PA) requirement for members admitting to Skilled Nursing Facility (SNF), Long-Term Acute Care (LTAC) and Inpatient Rehab Facilities (IRF) for Medicaid and MyCare Ohio Medicaid members.

Based on this change, Molina will waive the PA for admission. Once admitted, Molina requests notification of admission within 72 hours to continue to follow ODM’s guidance in ensuring appropriateness of the level of care, to continue concurrent stay review and assistance with discharge planning and safe transition to the next level of care, including:

- Adding services for member home care needs
- Expediting referrals to participating providers
- Ensuring all plans are in place before the member discharge

Effective Nov. 20, 2020, upon notification of a SNF admission for Molina MyCare Ohio Medicare members, Molina will issue a 3-day authorization. A medical necessity review will be required for continued SNF stay.

Molina remains committed to reducing unnecessary administrative burden during the COVID-19 pandemic for our providers, and to remove discharge barriers. For additional information reach out to your Provider Services Team.

• To schedule food delivery: Members should complete and pay for an online “curbside pick-up” grocery order with a delivery day at least two full business days in the future at a participating Walmart, Giant Eagle or Kroger. When the order is placed the member should call to schedule the delivery at (866) 642-9279.
