Nursing Facility Rates Delayed

Information for Medicaid Nursing Facility providers

The Ohio Department of Medicaid (ODM) has advised that the July 1, 2021 Nursing Facility rates are delayed.

Molina Healthcare will pend any nursing facility claims received with a date of service of July 1, 2021 or after until such time as the new rates are finalized and configured; at that time the claims will be released for processing. As more information is received from ODM regarding the timeline to finalize the July 1 rates, Molina will provide an anticipated claims' release date.

For questions, please reach out to your Provider Services Team at OHProviderRelations@MolinaHealthcare.com.
