

Update: COVID-19 Vaccination Member and Provider Incentives

Information for Medicaid network providers

The Ohio Managed Care Plans (MCPs) have extended the **\$100 COVID-19 vaccine** administration fee provider incentive to include dates of service through **Sep. 15, 2021**. **Federally Qualified Health Centers (FQHC), Rural Health Center (RHC) and Qualified Federal Planning Providers (QFPP)** providers will receive the administration fee increase until Sep. 15, 2021 through the bonus payment process. For more information about the provider incentive and billing refer to the previously posted COVID-19 Provider Bulletins, located on the Molina Provider Website, on the Provider Bulletin page, under the Forms tab.

Beginning July 26, 2021 through Sept. 15, 2021, Ohio MCPs have also increased the member incentive from \$50 to \$100 for the COVID-19 vaccine. All Ohio Medicaid and MyCare Ohio members age 18 and older who receive their first dose (or single dose of Johnson & Johnson) of the COVID-19 vaccine will receive a **\$100 incentive**.

To promote the vaccine and incentive to your patients, refer to the [Vax on the Spot Provider One Sheet](#). Additional materials can be found at www.covidvaxonthespot.com. To learn more about the member incentive and share the member incentive information with your patients, reach out to Molina's Provider Services at OHProviderRelations@MolinaHealthcare.com.

We would like to thank you for your support of our Ohio Medicaid and MyCare Ohio members.
