

PsychHub on the Molina Provider Website

Information for all network providers

Molina Healthcare members and providers now have access to PsychHub via the homepage on our Provider Website, located at MolinaHealthcare.com/OhioProviders.

PsychHub is an online platform for digital mental health education, including a library with more than 180 consumer-facing, animated videos focused on improving mental health literacy and reducing stigma about seeking care.

Although helpful to all our providers, this new resource may offer the greatest benefit to both Primary Care Providers (PCP) and Community Behavioral Health Center (CBHC) providers.

Providers can sign up for free to access content and videos as well as have access to behavioral health focused learning hubs. Some courses have Continuing Education Credits available for Clinical Psychologists, Clinical Social Workers and Licensed Professional Counselors. With the successful completion of courses, the provider will unlock industry-recognized certificates delivered electronically.

If a provider wants to enroll in one of the online courses on the PsychHub Learning Hub, they can enter the Molina defined coupon code instead of paying the fee for the course. For more information reach out to your Provider Services Team.
