

April showers bring May flowers...and allergies too!

To help keep our Medicaid members' seasonal allergies under control, Molina Healthcare would like to provide a reminder of some of the preferred anti-allergy medications.

- Preferred over the counter (OTC) products are covered at the pharmacy with a prescription.
- Writing a prescription for preferred OTC products allows it to be processed through the member's insurance at the pharmacy.
- Members ages 18 years of age and under have a \$0 copay.

Class*	Medications - please check the Preferred Drug List (PDL) for product specific QL (quantity limits) and AGE (age limits).
