Molina Healthcare 2021 Provider Satisfaction Survey

Attention Molina Healthcare Network Providers:

In an ongoing effort to meet the needs of our provider partners and measure provider satisfaction, Molina is administering its annual Provider Satisfaction Survey. The 2021 Provider Satisfaction Survey is being conducted by SPH Analytics, a NCQA certified survey vendor, on behalf of Molina to assess providers' overall satisfaction with Molina.

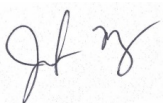

Randomly selected providers will be mailed surveys starting in early September. If you do receive the survey, please complete the information. Your feedback is important to us. You may complete the survey by mail or online as detailed in the survey packet. On average, the survey takes approximately 15 minutes to complete.

Molina is dedicated to providing quality health care to our members. Your valuable feedback will assist us in identifying areas where enhancement may be needed within the organization in areas such as operational efficiencies and how we partner with our provider network. Moreover, we will use this information to determine how we can better assist you on a day-to-day basis and, more importantly, how we can better work with you to better serve our members.

We want to thank you in advance for taking the time to share your feedback with us.

If you have any questions regarding the notification, please contact your Molina Provider Services representative.

Thank you,

Jennifer Marze
