Check Printing Error

Dear Provider,

Due to a check printing error with our payment vendor, you may receive a check with no name in the Pay To field. Molina is aware of this issue and has initiated the process to issue a replacement check. If you receive a check with a blank Pay To field, please immediately void and destroy the check. A new check is on the way and should arrive within two to seven business days.

We apologize for any inconvenience this may cause.

Thank you for serving Molina members.
