

<b>Place of Service (POS)</b>		
<b>19</b>	Unassigned	N/A
<b>21</b>	Inpatient Hospital	A facility, other than psychiatric, which primarily provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services by, or under, the supervision of physicians to patients admitted for a variety of medical conditions.
<b>22</b>	Outpatient Hospital	A portion of a hospital which provides diagnostic, therapeutic (both surgical and nonsurgical), and rehabilitation services to sick or injured persons who do not require hospitalization or institutionalization.
<b>23</b>	Emergency Room – Hospital	A portion of a hospital where emergency diagnosis and treatment of illness or injury is provided.
<b>24</b>	Ambulatory Surgical Center	A freestanding facility, other than a physician's office, where surgical and diagnostic services are provided on an ambulatory basis.
<b>31</b>	Skilled Nursing Facility	A facility which primarily provides inpatient skilled nursing care and related services to patients who require medical, nursing or rehabilitative services but does not provide the level of care or treatment available in a hospital.
<b>32</b>	Nursing Facility	A facility which primarily provides to residents skilled nursing care and related services for the rehabilitation of injured, disabled, or sick persons, or, on a regular basis, health-related care services above the level of custodial care to other individuals with intellectual disabilities
<b>33</b>	Custodial Care Facility	A facility that provides room, board and other personal assistance services, generally on a long-term basis, and which does not include a medical component.
<b>51</b>	Inpatient Psychiatric Facility	A facility that provides inpatient psychiatric services for the diagnosis and treatment of mental illness on a 24-hour basis, by or under the supervision of a physician
<b>52</b>	Psychiatric Facility - Partial Hospitalization	A facility for the diagnosis and treatment of mental illness that provides a planned therapeutic program
<b>61</b>	Comprehensive Inpatient Rehabilitation Facility	A facility that provides comprehensive rehab services under the supervision of a physician to inpatients with physical disabilities. Services include physical, occupational and/or speech therapy, social or psychological services, and orthotics and prosthetic services.
<b>Modifier</b>		
<b>26</b>	Professional Component	Certain procedures are a combination of a physician or other qualified health care professional component and a technical component. When the physician or other qualified health care professional component is reported separately, the service may be identified by adding modifier 26 to the usual procedure number.
