

Coordination of Benefits – Third Party Liability Payment Policy Update

Effective June 1, 2026, Molina Healthcare of Texas is updating its Third Party Liability (TPL) / Coordination of Benefits (COB) payment policy.

When another insurer is the primary payer, Molina will pay the Lessor of:

1. Medicaid allowed amount minus the primary payer paid amount OR
2. The sum of the patient responsibility.

This approach aligns with Molina's current Medicare TPL process.

If the primary payer's payment meets or exceeds the Medicaid allowed amount or encounter rate, Molina will not make an additional payment, including coinsurance.

Providers should continue to bill primary insurers for items and services they provide to a Member before they submit Claims for the same items or services to Molina for reimbursement. Primary carrier payment information is required with the Claim submission. Providers can submit Claims with attachments, including explanation of benefits (EOBs) and other required documents, by utilizing Molina's Provider Portal. Providers can also submit this information through EDI and Paper submissions.

If you have questions about this policy change, please contact your Provider Relations Representative at MTHTXProviderServices@MolinaHealthcare.com.
