

Sports Physical Value-Added Service Billing Requirements

Molina Healthcare offers an annual sports physical as a value-added service for

- CHIP Members ages 5 through 18 and
- STAR Members ages 5 through 19.

To bill for this value-added service, providers can use diagnosis code Z02.5, along with one of the following procedure codes:

- 97169
- 97170
- 97171

Molina does not require that the sports physicals be performed in conjunction with a well-child exam to qualify for the value-added service. This value-added service is restricted to one physical per year with a maximum reimbursement of \$30.* Members must be active Molina members at the time of service to qualify, and the physical must be provided by an in-network provider.

If you have questions about this value-added service or billing, please contact your Provider Relations Representative.

*Reimbursement rate may be dependent on terms outlined in the provider's contract with Molina.
