

Availity Essentials is now Molina Healthcare's exclusive provider portal

Availity Essentials is now the official secure provider portal for Molina Healthcare (Molina) for all eligibility and benefits, claims, authorizations, and more. After **June 22**, when the Molina legacy provider portal is sunset, the following tools will be accessible **only** via Availity Essentials: **eligibility and benefits, claims inquiry, claims submission, saved claims, claims template portal and member search.**

The following enhancements were recently added on Availity Essentials to help make the most out of working with Molina:

What's new?	How does it benefit me?
Overpayments	Eliminate mail and fax for faster dispute resolution and ensure overpayment requests are up to date. View the status and details of any claim Molina has identified as an overpayment. Request additional information, dispute, or resolve the overpayment.
Claims Corrections <i>(coming May 8th)</i>	Molina providers now have access to a new Claims Correction feature from the Claim Status page. Claims Correction allows you to correct and resubmit a paid or denied claim from the Claim Status response page.
Patient Search	Save time entering patient information for eligibility and benefits inquiries. Enter the patient's member ID or last name, first name and DOB, and select the patient matching the criteria. The information will automatically populate on the request.
