Drug Formulary Change – Over the Counter (OTC) Products Effective: June 1, 2020 (Medicaid)

As we notified you in December 2017, the Health Care Authority (HCA) is creating a Preferred Drug List (PDL) for Apple Health (Medicaid) in partnership with managed care plans that serve Apple Health clients. As a continuation of those efforts, effective June 1, 2020, Molina Healthcare will only cover OTC products that are covered through the Apple Health fee-for-service (FFS) program.

To find out which medications will be preferred, please look at our **2020 Formulary** on our website at MolinaHealthcare.com on June 1, 2020.

Thank you for your continued service to Molina members.
