A fax bulletin for the Molina Healthcare of Washington Provider Network

Prior Authorization Change Effective April 1, 2021 (Medicaid, Marketplace)

Effective April 1, 2021, requirements for Prior Authorization with Molina Healthcare of Washington will change for several CPT and HCPCS codes. Changes will affect both our Medicaid and Marketplace lines of business. Affected codes are related to cardiology procedures that currently do not require Prior Authorization. For a complete list of affected codes, please refer to Molina's Provider website at <https://provider.molinahealthcare.com/Provider/ProviderForms>.

Molina will require submission of a Prior Authorization request for both participating and non-participating providers for claims submitted for any place of service (except the emergency room setting). This change applies to dates of service beginning on April 1, 2021 and ongoing.

Clinical notes are required for review and approval of your authorization request. Submitting clinical notes along with the Prior Authorization request is recommended to receive a timely and accurate decision. If Prior Authorization is required for a requested service, please fax your authorization requests to Molina at (800) 767-7188.
