

Provider Newsflash

A fax bulletin for the Molina Healthcare of Washington Provider Network

Molina Healthcare is moving to a new Online Provider Directory and your accurate information is essential (Medicaid, Marketplace, Medicare)

Ensuring your information is current in the Molina Online Provider Directory is critical. Molina members utilize this directory to find the right providers for the care they need. Please take this opportunity to confirm your demographic information and ensure that any special areas of focus or training are up to date and relevant.

If you have updates, please contact Molina as outlined below within two (2) weeks of receiving this notification:

- **For Roster Submissions** – submit your most current roster following the standard process.
- **For Non-Roster Submissions** – submit your changes on the Provider Change Form located on our provider website under the [“Forms”](#) section.

A few key benefits of our new Online Provider Directory are:

- User-friendly and intuitive navigation
- Provider profile cards for quick access to information
- Easy browse by category, search bar, and common searches
- Expanded search options and filtering
- Enables members to easily save provider information

You can expect to see the new Online Provider Directory roll out in phases beginning summer 2021.

Please contact our Provider Contact Center at (800) 869-7165 if you have any questions.

Thank you for serving Molina members.
