## FREE CENTER OF EXCELLENCE CERTIFICATION TRAINING AUTISM SPECTRUM DISORDER Friday, September 24, 2021, 9:00 a.m. to 4:00 p.m.

**NOTE:** To obtain certification, you are required to complete learning modules from the American Academy of Pediatrics (AAP) and attend the live Zoom training on Friday, September 24, 2021. More information on the learning modules can be found on the registration site below.

Presenters:

- Gary Stobbe, MD:** Attending Neurologist, Seattle Children's Autism Center; Director, UW Medicine Adult Autism Clinic
- Jim Mancini, MS, CCC-SLP:** Speech-Language Pathologist, Seattle Children's Autism Center
- And special guests!

The Center of Excellence (COE) training focuses on current research and thinking regarding the evaluation, treatment and continuing care for individuals with Autism Spectrum Disorder (ASD) throughout their life span including:

- Early signs and screening
- Differential diagnosis and comorbid diagnoses
- Presentation across the autism spectrum and challenges with diagnosis
- Diagnostic evaluation models including the Interdisciplinary evaluation process at the Seattle Children's Autism Center
- Treatment options including accessing Applied Behavioral Analysis (ABA) Therapy
- Medication management
- Discussion of current state of services in WA and obstacles to care
- Documentation, billing codes and orders
- Q&A

The live component of the Zoom training will include discussions from pre-submitted questions along with regional breakout sessions.
