Please join the Behavioral Health Integration Grant Webinar on February 27, 2023 (Medicaid)

The Behavioral Health Integration (BHI) Grant provides one-time funding for primary care clinics for children and adolescents who have identified the need to integrate behavioral health into their clinic model and who are at the beginning of their behavioral health integration work.

Interested clinics must demonstrate:

- 35% of total patients are enrolled in Apple Health (Medicaid). Priority funding will be given to clinics with the highest proportion of patients enrolled in Apple Health.
- Support for BHI program exists at the highest level of clinic leadership.
- An arrangement for psychiatric consultation and supervision
- A team-based approach to care that includes the primary care providers, behavioral health professional, psychiatric consultant, patient and patient's family

Webinar Details:

Date and Time: Monday, February 27th @ 11 a.m. PT
