

Change in Advanced Imaging Guidelines Effective October 1, 2017

Effective 10/01/2017, Molina Healthcare will be incorporating American College of Radiology (ACR) guidelines into Molina's criteria of clinical decision support for advanced imaging for the Medicaid, Medicare and Marketplace lines of business. This change allows Molina to be more flexible and make changes quickly as standards evolve.

As a result of this change, Clear Coverage will no longer be available effective 09/30/2017. Authorization requests previously submitted via Clear Coverage will need to be submitted through one of the following options:

- Submit authorization requests and view status of the authorization electronically through the secure Molina Provider Portal at <https://provider.molinahealthcare.com/provider/login>
- Fax the request to:
 - Medical/Behavioral Health Services (800) 767-7188
 - Advanced Imaging (877) 731-7218
