Vision Service Provider Change for Molina Healthcare Apple Health (Medicaid) Members Effective 9/1/2018

On September 1, 2018, Molina will be contracted with Vision Service Plan (VSP) to provide eye care services to our Apple Health (Medicaid) members. We will be ending our contract with March Vision effective August 31, 2018. Many of our vision providers are already contracted with VSP and we expect minimum interruption in care. Benefits will stay the same.

If you would like to become a participating provider with VSP:

Call (800) 615-1883 or Visit vsp.com

Background: Molina is currently contracted with VSP for our Marketplace members and we expect that VSP will service our Medicare members in January 2019. If you have any questions, please call Molina at (800) 869-7165.

Thank you for your continued service to our members.
