

Provider Newsflash

A fax bulletin for the Molina Healthcare of Washington Provider Network

List of Available Network Providers

Molina Healthcare is required to provide you with an annual list of our contracted network of providers.

For the most up-to-date network provider information, we recommend that you utilize the Provider Online Directory (POD) located on the Washington Provider home page at MolinaHealthcare.com/providers/wa. Click on “Find a Provider” to access the POD.

You can search by location, specialty (e.g., Behavior Health, Cancer Care, Durable Medical Equipment), and distance within a chosen number of miles. You can print your search results or have the results emailed to you in a PDF format. The POD is updated weekly.

As always, our goal is to provide you with excellent customer service. We will continue our commitment to provide high-quality support and services to our provider network. If you have any questions or concerns, please contact your Provider Services Representative at (800) 869-7175, Monday through Friday between 8:00 a.m. and 5:00 p.m.

Thank you for your continued service to Molina Healthcare members.
