

# Take the Support Act PCP Provider Survey

April 30, 2025

Every year, Molina Healthcare of Wisconsin, Inc. must report to the Wisconsin Department of Health Services if critical pediatric behavioral screening tool assessments are being used by primary care providers in the Molina provider network. The screening tools are in alignment with the American Academy of Pediatrics Bright Futures Periodicity Schedule.

**We are asking for your help to complete a 10-question survey by July 1, 2025.**

[Click here to take the survey.](#)

Results of the survey will be shared with state regulators to document the use of behavioral health assessment tools in accordance with the national Support Act.
