Provider Memorandum

Healthmap Solutions & Molina KHM Partnership

Effective October 1, 2022, Molina Healthcare (Molina) will partner with Healthmap Solutions, Inc. (Healthmap) to provide care coordination services for our Kidney Health Management (KHM) program for the Medicare line of business (Marketplace coming soon). As a leading national kidney population health management company, the partnership with Healthmap will provide more comprehensive care for Molina members with chronic kidney disease (CKD) stages 3, 4, 5, Unspecified, and end-stage renal disease (ESRD).

If you have a patient with kidney disease or chronic conditions that may lead to kidney disease, Healthmap may contact you to facilitate care. Healthmap supports you through collaborative recommendations based on clinical insights.

Healthmap's KHM health solution integrates into your existing workflows to provide an efficient process for your practice and patients. Healthmap can provide actionable information, based on industry-proven best practices powered by data analytics to anticipate and deliver the right clinical care.
