New Clinical Policy Website Available to Providers

In February 2022, Molina Healthcare Inc. (Molina) launched an online provider tool for clinical policies—a new, dedicated website MolinaClinicalPolicy.com. The site includes Molina Clinical Policies (MCPs) and Molina Clinical Reviews (MCRs), which are used by providers as well as Molina’s Medical Directors and internal reviewers to make Medical Necessity determinations.

The website will ensure that Providers have access to the most current MCPs and MCRs. Routine updates will be made following approval by the Molina Clinical Policy Committee. We are excited to share this new tool with you, our provider partners.
