### **Support Act PCP Provider Survey**

Every year, Molina Healthcare of Wisconsin must report to the state if critical pediatric behavioral screening tool assessments are being used by Primary Care Providers in the Molina Provider Network.

We are asking for your help in completing a 9-question survey, linked [here](#). Results of the survey will be shared with state regulators to document the use of behavioral health assessment tools in accordance with the national Support Act.

Please send your completed survey to [WIProviderNetworkManagement@MolinaHealthCare.Com](mailto:WIProviderNetworkManagement@MolinaHealthCare.Com).
