Reimbursement Change for Procedure Code T1019

ForwardHealth implemented a Medicaid reimbursement increase for procedure code T1019 in March of 2022 that was backdated to the start of January. Molina is currently working on a system update to reflect the change in the reimbursement rate, effective 1/1/2022.

Any claims impacted and initially processed at the lower reimbursement rate will be reprocessed. No additional action is needed by you at this time.
