## What is the First Step to Good Health?

Your Primary Care Physician (PCP) knows you well and takes care of all your medical needs. It's important to have a doctor who makes you feel comfortable.

Think of your PCP's office as your "medical home." Your first step is to choose a doctor from our list of Primary Care Physicians (PCPs).

## What is a Primary Care Doctor?

A Primary Care Doctor or Primary Care Physician (PCP) is your main doctor, who takes care of most of your health needs. A PCP knows you and your family well and cares about your health. When you or someone in your family is sick and you don't know what to do, call your PCP. You don't have to go to the Emergency room unless a life is in danger.

Your PCP wants to see you before you are sick. Get to know your PCP. This will help them serve you better.

Go for yearly check-ups to stay healthy. Go to your PCP for physicals, tests, shots, and—of course—when you're sick. Check-ups help your PCP find problems early. If you or your child needs special care, your PCP can help. Your PCP works with you to keep you and your family healthy.

If you want to know more about your PCP or other Molina Healthcare doctors, please call Member Services or visit **MolinaHealthcare.com/ProviderSearch**.

## Choosing Your Doctor or Other Health Care Provider

To be covered by Molina Healthcare, services must be provided by the Molina Healthcare doctors, hospitals, specialists or medical clinics assigned to you. We make exceptions for emergencies, out-of-area or urgent care, and services in the “What is Covered Under My Plan” section of your Member Services Guide.

### How Do I Choose a Primary Care Doctor (PCP)?

Picking the right doctor for you and your family is very important. Molina Healthcare’s Member Services staff can help you choose. They can tell you what the doctor’s regular office hours are and how to schedule an office visit.

Call and schedule your first visit to get to know your PCP. If you need help making an appointment, call Molina Healthcare toll free at 1 (888) 665-4621 (TTY: 711).

Molina Healthcare can also help you find a PCP that is best for you. Tell us what is important to you in choosing a PCP. We are happy to help you. Call the Member Services Department if you want more information about your Molina Healthcare doctor.

Here are the kinds of PCPs you may select:

- **Family Practice PCP**  
A Family Practice PCP may see the whole family.
- **General Practice PCP**  
A General Practice PCP may also see the entire family.
- **Internal Medicine PCP**  
An Internal Medicine PCP sees adults only (21 years or older).
- **OB/GYN**  
An OB/GYN PCP sees women only. He or she specializes in women’s health and maternity care.
- **Pediatrician**  
A Pediatrician sees only children up to age 21.

After you decide what kind of doctor you want as a PCP, your next step is to choose the right doctor for you. Here are some helpful tips:

- Choose a doctor in the city where you live.
- Write your doctor’s Identification Number (ID) or his/her name on the Medi-Cal Health Plan Choice Form.
- Be sure you fill out the Medi-Cal Health Plan Choice form completely.
- Sign your name on the Medi-Cal Health Plan Choice form.
- Mail your completed Medi-Cal Health Plan Choice Form in our self-addressed stamped envelope included with your packet to Health Care Options.

# Introduction

You may decide you want to receive your health care services from doctors who are under Molina Healthcare's health plan or with our subcontracting health plan, Health Net.

You, your doctor and your health plan will make decisions on where you will get other medical services such as vision, pharmacy, laboratory and hospital care.

For example, if you choose a doctor who is with Molina Healthcare, you will receive all your specialty care and prescriptions through providers and pharmacies that belong to the Molina Healthcare network.

## Federally Qualified Health Centers and Rural Health Clinics

If you want to get care from a Federally Qualified Health Center (FQHC) or Rural Health Clinic (RHC) you can be assigned to an FQHC or RHC that has a contract with Molina Healthcare. If you see a ■ next to the name of a clinic in this directory, you will know that it is either an FQHC or RHC.

## What If I Don't Choose A Primary Care Doctor?

Molina Healthcare wants you to select a PCP within thirty (30) days of joining Molina Healthcare. If you don't choose a PCP for any reason, Molina Healthcare will choose one for you.

## Riverside and San Bernardino Members with Health Net

Molina Healthcare subcontracts with Health Net Community Solutions (Health Net) in Riverside and San Bernardino County. If you live in Riverside or San Bernardino County and you have picked a PCP who is with Health Net, Health Net will arrange your health care services. You will also get your medicines (drugs) from pharmacies contracted with Health Net and use Health Net's Drug Formulary. If you would like to get a copy of Health Net's Drug Formulary or if you have any questions, call Member Services at 1 (888) 665-4621 (TTY: 711).

## Changing Your Doctor

### What if I want to change my Primary Care Doctor?

You can change your Primary Care Doctor (PCP) at any time. If you choose a new doctor by the 15th of the month, you will be assigned to the new doctor that same month. If you choose a new doctor after the 15th, changes will take effect the first day of the following calendar month.

Get to know your PCP before you decide to change doctors. Having a good relationship with your PCP is important to your health. Call Member Services if you want more information about your Molina doctor.

### How do I change my Primary Care Doctor?

To change your PCP, call Member Services, or go to [MolinaHealthcare.com](https://MolinaHealthcare.com) or [MyMolina.com](https://MyMolina.com), our member portal. Our website and portal also have a list of doctors.

### **Can my doctor request that I change to a different Primary Care Doctor?**

Your doctor may request that you be changed to a different PCP for any of the following reasons:

- You are not following medical instructions (Noncompliant behavior)
- You are being abusive, threatening or have violent behavior
- Doctor-patient relationship breakdown

## **How Do I Choose an OB/GYN?**

Women may see an OB/GYN without receiving prior approval from your PCP. You may also choose an OB/GYN in addition to your PCP. But it's very important that you select an OB/GYN who is a member of the same Medical Group (IPA) as your PCP.

If you need help in choosing an OB/GYN, or if you have questions about the PCP and OB/GYN who are a part of your Medical Group (IPA), call Molina Healthcare Member Services at 1 (888) 665-4621, (TTY: 711), Monday through Friday between 7:00 a.m. and 7:00 p.m. Our representatives will be happy to help you or answer your questions.

## **How Does Molina Work with Your Doctor to Keep You Healthy?**

Your PCP treats you when you are sick, gives you care to keep you well, and prevents you from becoming ill. If you need to go to a hospital, Molina Healthcare will work with your PCP to make sure you get the proper care. When your doctor and Molina Healthcare work together in this way, it is called "Utilization Management." If you need care that can't be given by your doctor, your doctor will refer you to a specialist. We will help your doctor find the right kind of specialist for you.

Your PCP is the doctor who treats you when you need medical care. Think of your PCP's office as your "*medical home*."

When you need Medical care, contact your PCP unless it is an emergency. If you are experiencing an emergency, dial 911. You also don't need to get a prior authorization from your PCP for a visit to Family Planning Services.

## Nociones preliminares de Molina Healthcare

En Molina Healthcare, una de las actividades más importantes es comunicar cómo trabajamos. Esto nos ayudará a mantenerlo saludable.

Nuestro Directorio de proveedores le ayudará a empezar a tomar decisiones sobre su atención médica. También recibirá algunos consejos útiles para saber cómo utilizar los servicios y beneficios de Molina Healthcare. Encuentre la siguiente información sobre los médicos de Molina Healthcare y otros proveedores de atención médica en su Directorio de proveedores:

Juntos, podemos contribuir a su buena salud.

## ¿Cuál es el primer paso hacia una buena salud?

Su médico de atención primaria (PCP) lo conoce bien y se encargará de todas sus necesidades médicas. Es importante tener un médico con quien se sienta cómodo.

Piense en el consultorio de su PCP como su “hogar médico”. El primer paso es que elija a un médico de nuestra lista de médicos de atención primaria (PCP).

## ¿Qué es un médico de atención primaria?

El médico de atención primaria (PCP) es su médico principal, quién se encargará de atender la mayor parte de sus necesidades médicas. Es quién lo conoce bien a usted y a su familia, y se interesa por su salud. Cuando usted o uno de sus familiares esté enfermo y no sepa qué hacer, deberá llamar a su PCP. Sólo acuda a la sala de emergencias si su vida corre peligro.

Su PCP quiere verlo antes de que se enferme. Conózcalo. Esto le permitirá brindarle un mejor servicio.

Realice los chequeos médicos anuales para mantenerse saludable. Acuda a su PCP para realizarse exámenes físicos, pruebas de laboratorio y vacunarse y, por supuesto, cuando esté enfermo. Los chequeos médicos

permiten que el PCP detecte los problemas de forma temprana. Si usted o su hijo necesitan atención especial, su PCP puede ayudarlo. Su PCP trabajará con usted para cuidar su salud y la de su familia.

Si desea saber más acerca de su PCP o de otros médicos de Molina Healthcare, llame al Departamento de Servicios para Miembros o visite **MolinaHealthcare.com/ProviderSearch**.

## Cómo elegir a su médico o a otro proveedor de atención médica

Para que los servicios sean cubiertos por Molina Healthcare, estos deben ser prestados por los médicos, hospitales, especialistas o clínicas médicas de Molina Healthcare que se le hayan asignado. Hacemos excepciones para emergencias, servicios de atención médica urgente fuera del área y servicios en la sección “Qué cubre mi plan” de su Guía de Servicios para Miembros.

### ¿Cómo elijo a un médico de atención primaria (PCP)?

Elegir al médico adecuado para usted y su familia es muy importante. Nuestro personal del Departamento de Servicios para Miembros de Molina Healthcare le puede ayudar a elegirlo. Ellos le pueden comunicar el horario de consulta habitual del médico y cómo programar una visita al consultorio.

Comuníquese con su PCP y programe su primera visita para conocerlo. Si necesita ayuda para hacer una cita, llame sin cargo a Molina Healthcare al 1 (888) 665-4621 (TTY: 711).

Molina Healthcare también le puede ayudar a encontrar al mejor médico de atención primaria para usted. Díganos qué considera usted importante para seleccionar en un médico de atención primaria. Será un placer ayudarlo. Llame al Departamento de Servicios para Miembros si desea obtener más información sobre su médico de Molina Healthcare.

Estos son los tipos de PCP que puede seleccionar:

- **PCP de familia**  
Un PCP de familia puede atender a la familia entera.
- **PCP de medicina general**  
Un PCP de medicina general también puede atender a toda la familia.
- **PCP de medicina interna**  
Un PCP de medicina interna atiende únicamente a adultos (21 años o mayores).

Después de que decida qué tipo de médico desea tener como PCP, el próximo paso es elegir al médico adecuado para usted. A continuación encontrará algunos consejos útiles:

## ¿Cómo elijo a un obstetra ginecólogo?

Las mujeres pueden ver a un obstetra ginecólogo sin haber recibido la autorización previa de su PCP. También puede elegir a un obstetra ginecólogo además de conservar a su PCP. Pero es de vital importancia que seleccione a un obstetra ginecólogo que sea miembro del mismo Grupo Médico (IPA) que su PCP.

Si necesita ayuda para elegir un obstetra ginecólogo, o si tiene preguntas sobre el PCP y obstetra ginecólogo que forman parte de su Grupo Médico (IPA), llame al Departamento de Servicios para Miembros de Molina Healthcare al 1 (888) 665-4621, (TTY: 711), de lunes a viernes entre las 7:00 a.m. y 7:00 p.m. Nuestros representantes estarán encantados de ayudarlo o responder a sus preguntas.
