*You can get prescription drugs shipped to your home through our network mail order delivery program which is called "CVS Caremark Mail Service Pharmacy Program".*

*For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program "Auto Refill and Renewal". Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us "14 days" before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 866-467-5551; TTY users should call 711. We are available 24 hours a day, 7 days a week.*

*Typically, you should expect to receive your prescription within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 866-467-5551; TTY users should call 711. We are available 24 hours a day, 7 days a week.*

Bajo este programa, empezaremos el proceso para su siguiente surtido automático cuando nuestros registros muestren que su medicamento esta a punto de agotarse. Usted puede cancelar las renovaciones programadas si usted tienen suficiente medicamento o si su medicamento ha cambiado. Si usted decide no usar el programa de surtido automático, por favor llámenos "14 días" antes de que crea que se le terminara su medicamento, para confirmar que su próxima orden se le envíe a tiempo.
