B. Preguntas frecuentes (FAQ)

Encuentre las respuestas a las preguntas que tenga sobre la *Lista de medicamentos cubiertos*. Puede leer las preguntas más frecuentes para obtener más información o buscar una pregunta y ver su respuesta.

B1. ¿Qué medicamentos recetados se encuentran en la *Lista de medicamentos cubiertos*? (Llamamos a la *Lista de medicamentos cubiertos* “*Lista de medicamentos*”).

Los medicamentos que se encuentran en la *Lista de medicamentos cubiertos* que comienza en la sección C son los medicamentos cubiertos por Molina Dual Options MyCare Ohio. Estos medicamentos están disponibles en las farmacias de nuestra red. Una farmacia está incluida dentro de nuestra red si tenemos un contrato para trabajar con ellos y ofrecerle los servicios. Nos referimos a estas farmacias como “farmacias de la red”.

- Molina Dual Options MyCare Ohio cubrirá todos los medicamentos médicamente necesarios incluidos en la *Lista de medicamentos* si:
 - Su médico u otra persona que le receta dice que los necesita para mejorar o mantenerse saludable, **y**
 - surte la receta médica en las farmacias de la red de Molina Dual Options MyCare Ohio.
- Es posible que Molina Dual Options MyCare Ohio disponga pasos adicionales para acceder a ciertos medicamentos (consulte la pregunta B4 a continuación).

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. B2. ¿Se modifica alguna vez la *Lista de medicamentos*?

Sí, y Molina Dual Options MyCare Ohio debe seguir las políticas de Medicare y Medicaid cuando realiza cambios. Durante el año, podemos agregar medicamentos a la *Lista de medicamentos* o eliminarlos de ella.

También podemos cambiar nuestras reglas sobre los medicamentos. Por ejemplo, podríamos:

- Decidir si exigir o no una autorización previa (PA) para algún medicamento. (Una autorización previa es el permiso otorgado por Molina Dual Options MyCare Ohio antes de que usted pueda obtener un medicamento).
- Añadir o cambiar la cantidad de un medicamento que usted puede obtener (llamado "límites de cantidad").
- Añadir o cambiar restricciones de terapia progresiva con respecto a un medicamento. ("Terapia progresiva" significa que usted podría tener que probar un medicamento antes de que cubramos otro medicamento).

Para obtener más información sobre estas políticas de medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto **al principio** del año, generalmente no retiraremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año**, a menos que:

- Se incorpore al mercado un nuevo medicamento más económico y que sea tan efectivo como alguno de los medicamentos que se encuentran en la *Lista de medicamentos* actual.
- Nos enteramos de que un medicamento no es seguro.
- Un medicamento es retirado del mercado.

Las preguntas B3 y B6 a continuación contienen más información sobre lo que ocurre cuando se modifica la *Lista de medicamentos*.

- Siempre puede consultar la *Lista de Medicamentos* actualizada de Molina Dual Options MyCare Ohio en línea en MolinaHealthcare.com/Duals. Las actualizaciones de la *Lista de Medicamentos* se publican en el sitio web mensualmente.
- También puede llamar a Member Services para ver la *Lista de medicamentos* actualizada al (855) 665-4623 y TTY: 711, Monday - Friday 8 a.m. to 8 p.m., local time.

Estas llamadas son gratuitas. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

B3. ¿Qué ocurre cuando hay un cambio en la *Lista de medicamentos*?

Algunos cambios a la *Lista de medicamentos* serán **inmediatos**. Por ejemplo:

- **Sustituciones de ciertas nuevas versiones de medicamentos.** Si reemplazamos los medicamentos de la *Lista de medicamentos* por ciertas versiones nuevas, retiraremos inmediatamente los medicamentos anteriores, y aun así, el costo por el nuevo medicamento será el mismo. Cuando agregamos el nuevo medicamento genérico, también podemos decidir mantener el medicamento de marca o el producto biológico original en la lista, pero cambiar sus reglas o límites de cobertura.
 - Es posible que no le avisemos antes de efectuar el cambio, pero le enviaremos información sobre los cambios específicos que hagamos cuando esto ocurra.
 - Podemos hacer estos cambios solo si el medicamento que estamos agregando:
 - es una nueva versión genérica de un medicamento de marca registrada, o
 - es una nueva versión biosimilar de los productos biológicos originales en la *Lista de medicamentos* (por ejemplo, agregar un biosimilar intercambiable que se pueda sustituir por un producto biológico original sin una nueva receta).

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la Sección B14.

- Usted o su proveedor pueden solicitar una excepción a esos cambios. Le enviaremos una notificación con los pasos que puede tomar para una excepción. Consulte la pregunta B10 para obtener más información sobre las excepciones.
- **Un medicamento es retirado del mercado.** Si la Administración de Alimentos y Medicamentos (FDA) dice que un medicamento que usted está tomando no es seguro ni efectivo o el fabricante del medicamento retira un medicamento del mercado, podemos retirarlo inmediatamente de la *Lista de medicamentos*. Si está tomando el medicamento, le enviaremos un aviso después de realizar el cambio. Talk with your doctor or other prescriber to find an alternative that is safe for you.

Es posible que hagamos otros cambios que afecten a los medicamentos que usted toma. Le diremos con anticipación acerca de estos otros cambios a la *Lista de medicamentos*. Estos cambios pueden ocurrir si:

- la FDA proporciona nuevas guías o hay nuevas pautas clínicas sobre un medicamento,

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. - eliminamos un medicamento de marca de la *Lista de medicamentos* al agregar un medicamento genérico que no es nuevo en el mercado,
- eliminamos un producto biológico original al agregar un biosimilar, o
- cambiamos las reglas o límites de cobertura para el medicamento de marca.

Cuando estos cambios se efectúen, realizaremos lo siguiente:

- le avisaremos al menos 30 días antes de implementar el cambio en la *Lista de medicamentos* o
- le avisaremos y le proporcionaremos un suministro de medicamentos de 31 días después de que solicite una renovación.

Esto le dará tiempo para hablar con su médico u otra persona que le receta. Esa persona podrá ayudarle a decidir lo siguiente:

- Si hay algún otro medicamento similar en la *Lista de medicamentos* que pueda tomar en su lugar, o
- Si debe pedir una excepción a estos cambios. Para conocer más sobre las excepciones, consulte la pregunta B10.

B4. ¿Existen restricciones o límites en la cobertura de los medicamentos o pasos necesarios que se deben seguir para obtener ciertos medicamentos?

Sí, algunos medicamentos tienen políticas de cobertura o límites en la cantidad que puede obtener. En algunos casos, usted, su médico u otro recetador deben hacer algo antes de que pueda obtener el medicamento. Por ejemplo:

- **Autorización previa (PA) o aprobación previa:** Para algunos medicamentos, usted, su doctor u otra persona que le receta deben obtener una PA de Molina Dual Options MyCare Ohio antes de surtir la receta médica. Molina Dual Options MyCare Ohio podría no cubrir el medicamento si no obtiene una autorización.
- **Límites de cantidades:** A veces, Molina Dual Options MyCare Ohio limita la cantidad de un medicamento que puede recibir.
- **Terapia progresiva:** A veces, Molina Dual Options MyCare Ohio le solicita que realice terapia progresiva. Esto significa que tendrá que probar medicamentos en un orden determinado para el tratamiento de su enfermedad. Tendrá que probar un medicamento antes de que cubramos otro medicamento. Si su médico considera que el primer medicamento no funciona para tratar su enfermedad, entonces cubriremos el segundo.

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Si necesita hablar con su administrador de cuidados, llame a (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Puede ver si su medicamento tiene requisitos o límites adicionales si consulta las tablas de la sección C. También puede obtener más información si visita nuestro sitio web en MolinaHealthcare.com/Duals. Publicamos documentos en línea en los que se explican nuestras restricciones de PA y terapia escalonada. También puede pedirnos que le enviemos una copia.

Puede solicitar una excepción a estos límites. Esto le dará tiempo para hablar con su médico u otra persona que le receta. Esta persona le podrá ayudar a decidir si hay algún otro medicamento similar en la *Lista de medicamentos* que usted pueda tomar en su lugar o si tiene que solicitar una excepción. Consulte las preguntas de la B10 a la B12 para obtener más información sobre las excepciones.

B5. ¿Cómo sabré si el medicamento que necesito tiene límites o si tengo que seguir algunos pasos necesarios para obtenerlo?

La tabla de medicamentos de la sección C tiene una columna llamada “Acciones necesarias, restricciones o límites de uso”.

B6. ¿Qué sucede si Molina Dual Options MyCare Ohio cambia sus normas sobre algunos medicamentos (p. ej., la PA o aprobación, los límites de cantidad o las restricciones en la terapia progresiva)?

En algunos casos, le notificaremos con antelación si agregamos o cambiamos las condiciones sobre la PA, los límites de cantidad o las restricciones en la terapia escalonada de un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso previo y las situaciones en las que es posible que no le notifiquemos con anticipación los cambios de las políticas sobre los medicamentos de la *Lista de medicamentos*.

B7. ¿Cómo puedo encontrar un medicamento en la *Lista de medicamentos*?

Hay dos maneras de encontrar un medicamento:

- Puede buscar alfabéticamente por el nombre del medicamento, o
- Puede buscar por enfermedad.

Para buscar **alfabéticamente**, consulte el Índice de la sección de Medicamentos. Lo puedes encontrar en la sección D.

Para buscar **por enfermedad**, busque la sección “Medicamentos agrupados por enfermedad” en la sección C. Los medicamentos de esta sección se agrupan en categorías según el tipo de enfermedad que tratan normalmente. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría Cardiovascular. Ahí es donde encontrará medicamentos que tratan las enfermedades cardíacas.

Es posible que los miembros nuevos de nuestro plan estén tomando medicamentos que no están en nuestro formulario o que están sujetos a ciertas restricciones, como la autorización previa o la terapia progresiva. Los miembros actuales también pueden resultar afectados por los cambios en nuestro formulario de un año al otro. Los miembros deben hablar con sus doctores para decidir si deben cambiarse a otro medicamento cubierto o solicitar una excepción de formulario con el fin de obtener la cobertura del medicamento. Consulte el Manual del Miembro para obtener más información sobre cómo solicitar una excepción. Comuníquese con Member Services si su medicamento no está en nuestro formulario, está sujeto a determinadas restricciones, como la autorización previa o la terapia progresiva, o si ya no estará en nuestro formulario del próximo año y usted necesita ayuda para reemplazarlo con un medicamento diferente cubierto o solicitar una excepción de formulario.

Durante el periodo en que los miembros consultan con sus doctores para determinar el curso de acción correcto, es posible que proporcionemos un suministro provisional del medicamento que no está en el formulario si esos miembros necesitan renovar el medicamento durante los primeros 90 días de la nueva membresía en nuestro plan para medicamentos Parte D (categoría 1 y 2) y 90 días para los medicamentos de Medicaid (categoría 3). Si usted es un miembro actual afectado por un cambio en el formulario de un año al otro, proporcionaremos un suministro provisional del medicamento que no está en el formulario si necesita una renovación del medicamento durante los primeros 90 días del nuevo año del plan.

Cuando un miembro va a una farmacia de la red porque le proporcionamos un suministro provisional de un medicamento que no está en nuestro formulario, está sujeto a restricciones o tiene límites de cobertura (pero que de otro modo se considera un “medicamento Parte D”), cubriremos un suministro de 31 días (a menos que la receta esté hecha para menos días). Por lo general, después de cubrir el suministro provisional de 31 días, no cubriremos nuevamente estos medicamentos como parte de nuestra política de transición.

Le enviaremos un aviso por escrito después de cubrir su suministro provisional. En este aviso, se explicarán los pasos que puede seguir para solicitar una excepción y cómo trabajar con su doctor para decidir si debe cambiar su medicamento por uno apropiado que sí esté cubierto.

B10. ¿Puedo solicitar una excepción para cubrir mi medicamento?

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Sí. Puede solicitarle a Molina Dual Options MyCare Ohio una excepción para que cubra un medicamento que no esté incluido en la *Lista de medicamentos*.

También puede solicitarnos que cambiemos las políticas de su medicamento.

- Por ejemplo, Molina Dual Options MyCare Ohio puede limitar la cantidad de un medicamento que cubriremos. Si su medicamento tiene un límite, puede solicitar que cambiemos el límite y se otorgue más cobertura.
- Otros ejemplos: Puede solicitar que quitemos las restricciones de la terapia escalonada o los requisitos de PA.

B11. ¿Cómo puedo solicitar una excepción?

Si desea solicitar una excepción, llame a *Member Services*. Un representante de Member Services trabajará con usted y con su proveedor para solicitar una excepción. También puede leer el Capítulo 9 del *Manual del miembro* para obtener más información sobre las excepciones.

B12. ¿Cuánto tiempo se requiere para obtener una excepción?

Después de que obtengamos una declaración de la persona que le receta que respalde su solicitud de una excepción, le informaremos nuestra decisión en un plazo de 72 horas. La persona que le receta puede llamar a Molina Dual Options o enviar por fax la declaración de apoyo al (866) 290-1309.

Si usted o la persona que le receta considera que su salud podría verse afectada por esperar 72 horas para recibir la resolución, puede solicitar una excepción acelerada. Esta es una decisión más rápida. Si la persona que le receta respalda su solicitud, le informaremos de la resolución dentro de las 24 horas siguientes a la recepción de la declaración de apoyo de la persona que le receta.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos tienen los mismos principios activos que los medicamentos de marca registrada. Por lo general, cuestan menos que el medicamento de marca registrada y, en general, funcionan igual de bien. Por lo general, no tienen nombres conocidos. Los medicamentos genéricos están aprobados por la Food and Drug Administration (FDA). Existen medicamentos genéricos disponibles para muchos medicamentos de marca registrada. Los medicamentos genéricos generalmente se pueden sustituir por medicamentos de marca registrada en la farmacia sin una nueva receta, según las leyes estatales.

Molina Dual Options MyCare Ohio cubre medicamentos de marca registrada y medicamentos genéricos.

B14. ¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Si necesita hablar con su administrador de cuidados, llame a (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Estas llamadas son gratuitas. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

Cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos que son más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se denominan biosimilares. En general, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son intercambiables y, dependiendo de las leyes estatales, pueden sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

Para más información sobre los tipos de medicamentos, consulte el Capítulo 5 del *Manual del miembro*.

B15. ¿Qué son los medicamentos de venta libre (OTC)?

OTC es la sigla en inglés de “over-the-counter”, que significa “de venta libre”. Molina Dual Options MyCare Ohio cubre algunos medicamentos OTC cuando son recetados por su proveedor.

Puede consultar la *Lista de medicamentos* de Molina Dual Options MyCare Ohio para ver qué medicamentos OTC están cubiertos.

B16. ¿Cuál es mi copago?

Como miembro de Molina Dual Options MyCare Ohio, no tiene copagos por los medicamentos recetados y OTC, siempre que siga las políticas de Molina Dual Options MyCare Ohio.

- Los medicamentos de la categoría 1 son medicamentos genéricos. Por los medicamentos de la categoría 1, usted no paga nada.
- Los medicamentos de la categoría 2 son los medicamentos de marca. Por los medicamentos de la categoría 2, usted no paga nada.
- Los medicamentos de la categoría 3 son medicamentos recetados o medicamentos de venta libre (OTC) no cubiertos por Medicare. Por los medicamentos de la categoría 3, usted no paga nada.

B17. ¿Qué son las categorías de medicamentos?

Las categorías son grupos de medicamentos en la misma Lista de medicamentos.

- *Los medicamentos de la categoría 1 son medicamentos genéricos.*
- *Los medicamentos de la categoría 2 son los medicamentos de marca.*
- Los medicamentos de la categoría 3 son medicamentos recetados o medicamentos de venta libre (OTC) no cubiertos por Medicare.

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Ninguna categoría tiene copago.

C. Medicamentos agrupados por enfermedad

Los medicamentos de esta sección se agrupan en categorías según el tipo de enfermedades que tratan. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría Cardiovascular. Ahí es donde encontrará medicamentos que tratan las enfermedades cardíacas.

En la siguiente lista de medicamentos cubiertos se le ofrece información sobre los medicamentos cubiertos por Molina Dual Options MyCare Ohio. Si tiene problemas para encontrar el medicamento en la lista, consulte el Índice de medicamentos cubiertos que comienza en la sección D. En el índice, puede encontrar ordenados alfabéticamente todos los medicamentos cubiertos por Molina Dual Options MyCare Ohio.

En la primera columna de la tabla, se indica el nombre del medicamento. Los medicamentos de marca registrada aparecen en mayúsculas (p. ej., CIPRO) y los medicamentos genéricos aparecen en minúsculas y cursiva (p. ej., ciprofloxacina).

En la columna de acciones necesarias, restricciones o límites de uso se informa si Molina Dual Options MyCare Ohio tiene políticas de cobertura para su medicamento.

Nota: El símbolo _ junto a un medicamento significa que el medicamento no es un “medicamento de la Parte D”. La cantidad que paga cuando surte una receta médica de este medicamento no se considera parte de los costos totales por medicamentos (es decir, la cantidad que paga no contribuye a su calificación para la cobertura catastrófica).

- Además, si obtiene Ayuda Adicional (Extra Help) para pagar sus recetas médicas, no recibirá dicho beneficio para pagar estos medicamentos. Para obtener más información sobre la Ayuda Adicional (Extra Help), consulte el cuadro a continuación.

Extra Help es un programa de Medicare que ayuda a las personas con ingresos y recursos limitados a reducir sus costos de medicamentos con receta de la Parte D de Medicare, como primas, deducibles y copagos. A este programa de ayuda adicional también se lo conoce como “Subsidio por bajos ingresos” o “LIS”.

- Estos medicamentos también tienen diferentes políticas para las apelaciones. Una apelación es una manera formal de solicitarnos que revisemos nuestra decisión de cobertura y la cambiemos si usted cree que cometimos un error. Por ejemplo, podríamos decidir que un medicamento que usted necesita ya no está cubierto por Medicare o Medicaid.
- Si usted o su recetador no están de acuerdo con nuestra decisión, puede apelar. Para solicitar información sobre cómo apelar, llame a Member Services (855) 665-

Si tiene preguntas, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local.
