B. Background Information about Molina Medicare Complete Care's Network Providers

B1. Key terms

- This section explains key terms in our Directory.
- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. Services include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a Molina Medicare Complete Care member.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

If you have questions, please call Molina Medicare Complete Care at (844) 239-4913, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Molina Medicare Complete Care** (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Molina Medicare Complete Care may not cover the service, item, or drug.
- Referrals or prior authorization are not needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - services from a women's health specialist.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on referrals and prior authorization is available in Chapter 3 of the *Evidence of Coverage*.

You will also be assigned a care coordinator and a Care Team. Your Care Team is a group of advocates and providers working together to provide you with medical, behavioral health, psychosocial, social care, and long-term services and supports in the community or in a facility. You are a member of your Care Team, and you can tell us who else you would like to participate. Your Care Coordinator will ask you about your Care Team members and who you would like to be included. Your care coordinator works to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of Care Team may include:

- A **Care Coordinator** that helps you manage your medical providers and services. Your Care Coordinator will also work with you to complete your health risk assessment and create your individualized care plan.
- Your **Primary Care Provider**

If you have questions, please call Molina Medicare Complete Care at (844) 239-4913, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency.
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention; **or**
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may be able to have a specialist act as your PCP. You can choose any PCP in our network who is accepting new members.

To choose a PCP, refer to the list of providers in section C and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you do not choose a PCP in our network, Molina Medicare Complete Care will choose one for you.
- If you want help in choosing a PCP, please call Member Services at (844) 239-4913, TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. Or, visit MolinaHealthcare.com/Medicare.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at the numbers listed at the bottom of this page and ask **before** you get the service or care.

B4. Long-term services and supports (LTSS) providers

As a Molina Medicare Complete Care member, you will be able to get Long-Term Services and Supports (LTSS) if you need them, such as environmental modification (minor changes to your home), pest control, home delivered meals, and respite care (relief for your primary caregiver, either in an in-patient facility or at your home).

LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS, your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

If you have questions, please call Molina Medicare Complete Care at (844) 239-4913, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

B5. How to access Molina Medicare Complete Care's network providers

You may need a referral for someone who is not a Primary Care Provider (PCP). There is more information about referrals in section B1.

You must get all of your covered services from providers within our network. If you use providers who are not in Molina Medicare Complete Care's network **(without prior authorization), you will have to pay the bill.**

A prior authorization is an approval from Molina Medicare Complete Care to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Molina Medicare Complete Care gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Molina Medicare Complete Care works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

If you need a provider and are not sure if they offer the accommodations you need, Molina Medicare Complete Care can help you. Talk to your care coordinator for assistance.

C. Molina Medicare Complete Care's List of Network Providers

This part of the Directory includes a list of Molina Medicare Complete Care's network providers who participate in and accept Molina Medicare Complete Care. It contains:

- **Health care professionals** including primary care physicians, specialists and behavioral health providers;
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities; and
- **Support providers** including Long-term Services and Supports (LTSS) providers (for example, adult day health) and community support services (for example, peer supports).

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

If you have questions, please call Molina Medicare Complete Care at (844) 239-4913, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

Providers are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Providers are also listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, for example, languages spoken (including American Sign Language (ASL)) or completion of cultural competence training.

You may get services from any of the providers on this. For some services, you may need a referral from your PCP or prior authorization from Molina Medicare Complete Care.

You may also contact the provider directly to find out if they are accepting new patients.

All providers in this provider directory accept both Medicare and Medicaid.

If you have questions, please call Molina Medicare Complete Care at (844) 239-4913, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit **MolinaHealthcare.com/Medicare**.

B. Información general sobre los proveedores de la red de Molina Medicare Complete Care

B1. Términos clave

- En esta sección, se explican los términos clave de nuestro Directorio.
- Los **proveedores** son profesionales como médicos, personal de enfermería, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los servicios incluyen atención médica, Servicios y Apoyo a Largo Plazo (LTSS), suministros, medicamentos recetados, equipos y otros servicios.
 - El término **proveedores** incluye centros como hospitales, clínicas y otros lugares que proporcionan servicios médicos y equipo médico. También incluye proveedores de LTSS a los que puede acudir como miembro de Molina Medicare Complete Care Plus.
 - Los proveedores que forman parte de la red de nuestro plan se denominan **proveedores de la red**.

Si tiene alguna pregunta, llame a Molina Medicare Complete Care al (844) 239-4913, Lunes a viernes, de 8 a.m. a 8 p.m. hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Medicare.

- Los **proveedores de la red** tienen contratos con nosotros para ofrecer servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso significa que aceptan miembros de nuestro plan y proporcionan servicios que cubre nuestro plan. Por lo general, cuando visita a un proveedor de la red, no debe pagar nada por los servicios cubiertos.
- Un **Proveedor de Cuidados Primarios (PCP)** es un doctor, un enfermero especializado u otro profesional de atención médica que le brinda atención de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.
- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
 - Los oncólogos atienden a los pacientes con cáncer.
 - Los cardiólogos atienden a pacientes con afecciones cardíacas.
 - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Es posible que necesite una **remisión** o una **autorización previa** para un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP de la red debe darle la aprobación antes de que usted pueda recurrir al otro proveedor. Una **autorización previa** es diferente a una remisión. Significa que **Molina Medicare Complete Care** (no su PCP de la red) debe dar su aprobación **antes** de que cubramos un servicio, artículo o medicamento específicos o un proveedor fuera de la red. Si no obtiene una remisión o una autorización previa, es posible que Molina Medicare Complete Care no cubra el servicio, artículo o medicamento.
 - **No** se necesitan remisiones o una autorización previa para:
 - atención de emergencia.
 - atención médica requerida urgentemente.
 - servicios de diálisis renal que obtenga de un centro de diálisis autorizado por Medicare cuando se encuentre fuera del área de servicio del plan; o
 - servicios de un especialista en salud de la mujer.
 - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos pagarles a los proveedores de servicios de salud para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan.
 - Encontrará más información disponible sobre las remisiones y autorización previa en el Capítulo 3 del *Evidencia de Cobertura*.

Si tiene alguna pregunta, llame a Molina Medicare Complete Care al (844) 239-4913, Lunes a viernes, de 8 a.m. a 8 p.m. hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Medicare.

- También se le asignará un **Coordinador de Cuidados** y un **Equipo de Cuidados**. Su Equipo de Cuidados corresponde a un grupo de defensores o intercesores, además de proveedores, quienes trabajan juntos para proporcionarle servicios médicos, de salud conductual, psicosociales, de atención social y de largo plazo. Además, le brindan servicios de apoyo en la comunidad o en una instalación. Usted es un miembro de su Equipo de Cuidados, y usted nos puede decir quién más le gustaría que participara. Su Coordinador de Cuidados le preguntará por los miembros de su Equipo de Cuidados y quién le gustaría que estuviera incluido. Su Coordinador de Cuidados trabaja para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que obtiene todas las pruebas, los análisis de laboratorio y otros cuidados que necesita, y los resultados se comparten con los proveedores correspondientes. También significa que su PCP debe estar informado acerca de todos los medicamentos que usted toma a fin de que este pueda reducir cualquier efecto negativo para su salud. Su PCP siempre solicitará su permiso antes de compartir su información médica con otros proveedores. El Equipo de Cuidados puede incluir a los siguientes miembros:
 - Un **Coordinador de Cuidados** que lo ayuda a gestionar sus proveedores y servicios médicos. Su Coordinador de Cuidados también trabajará con usted para completar su evaluación de riesgos para la salud y crear su plan de cuidados individualizado.
 - **Su Proveedor de Cuidados Primarios**

B2. Tiempos de espera en atención primaria y salud mental

Debemos proporcionarle acceso a los servicios de atención primaria y de salud conductual dentro de los siguientes plazos:

- inmediatamente en caso de urgencia o emergencia.
- en un plazo de 7 días para los servicios que no sean una emergencia ni se necesiten con urgencia, pero en los que usted requiera atención médica; o
- en un plazo de 30 días para servicios de salud de rutina y preventivos.

B3. Proveedor de Cuidados Primarios (PCP)

Primero, debe elegir un Proveedor de Cuidados(PCP). Es posible que pueda contar con un especialista que se desempeñe como su PCP. Puede elegir a cualquier PCP de nuestra red que acepte nuevos miembros.

Para elegir un PCP, consulte la lista de proveedores en la sección C y elija un proveedor:

- que utiliza ahora **o**;
- que haya sido recomendado por alguien de su confianza, **o bien**;
- cuyo consultorio sea de fácil acceso para usted.
- Si no elige un PCP de nuestra red, Molina Medicare Complete Care elegirá uno por usted.

Si tiene alguna pregunta, llame a Molina Medicare Complete Care al (844) 239-4913, Lunes a viernes, de 8 a.m. a 8 p.m. hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Medicare.

- Si desea recibir ayuda para elegir a su PCP, llame al Departamento de Servicios para Miembros al (844) 239-4913 TTY: 711, los Lunes a viernes, de 8 a.m. a 8 p.m. hora local. Esta llamada es gratuita. O bien visite MolinaHealthcare.com/Medicare.
- Si tiene preguntas sobre la cobertura de cualquier servicio o atención que desee o necesite, comuníquese con su Equipo de Cuidados o llame al Departamento de Servicios para Miembros a los números que aparecen al final de esta página y pregunte antes de que reciba el servicio o atención.

B4. Proveedores de Servicios y Apoyo a Largo Plazo (LTSS)

Como miembro de Molina Medicare Complete Care, puede optar a recibir Servicios y apoyo a Largo Plazo (LTSS, por sus siglas en inglés) si los necesita, tales como modificaciones ambientales (adaptaciones menores a su hogar), control de plagas, comidas a domicilio y servicios de cuidado de respiro (alivio para su cuidador primario, ya sea en un centro de internación o en su hogar).

Los LTSS ayudan a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, cocinar y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital. El LTSS está disponible para los miembros que cumplen determinados requisitos clínicos y económicos.

Si necesita LTSS, su Coordinador de Cuidados puede ayudarlo a usted y a su Equipo de Cuidados a determinar qué opciones están disponibles para apoyarlo de la manera que usted desea.

B5. Cómo acceder a los proveedores de la red de Molina Medicare Complete Care

Es posible que necesite una remisión para consultar a alguien que no sea un Proveedor de Cuidados Primarios. Hay más información sobre referencias en la sección B1.

Usted debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina Medicare Complete Care (**sin autorización previa**), **tendrá que pagar la factura**.

Una **autorización previa** es una aprobación de Molina Medicare Complete Care para buscar servicios fuera de nuestra red u obtener servicios que no están cubiertos rutinariamente por nuestra red **antes** de que usted obtenga los servicios.

Las únicas excepciones a esta regla son cuando necesita atención urgente o de emergencia o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. También puede salir del plan para otros servicios que no sean de emergencia si Molina Medicare Complete Care le otorga el permiso con anterioridad.

- Puede cambiar de PCP dentro de la red, en cualquier momento durante el año. Si ha estado viendo a un proveedor de la red, no tiene que seguir atendiéndose con ese mismo proveedor. Para algunos proveedores, es posible que necesite una remisión de su PCP.

Si tiene alguna pregunta, llame a Molina Medicare Complete Care al (844) 239-4913, Lunes a viernes, de 8 a.m. a 8 p.m. hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte MolinaHealthcare.com/Medicare.

- Molina Medicare Complete Care trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores dentro la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.

Si necesita a un proveedor y no está seguro de si este le ofrece las adaptaciones que usted necesita, Molina Medicare Complete Care puede ayudarlo. Hable con su coordinador de cuidados para recibir asistencia.
