B. Providers

B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory.*

- **Providers** are health care professionals and support providers such as doctors, nurse practitioners, psychologists, hearing, dental, or vision specialists, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long term supports and services (LTSS), supplies, prescription drugs, equipment and other services.
    - The term "providers" also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term supports and services.
    - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a physician, physician assistant or nurse practitioner and/or medical home or clinic (Federally Qualified Health Centers (FQHC)), who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your primary care provider (PCP) must give you approval before you can use someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.
    - Referrals from your network PCP are not needed for:

- emergency care;
- urgently needed care;
- kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
- services from a women's health specialist; **or**
- flu shots and pneumonia vaccinations as long as you get them from a network provider.

  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.

  - More information on referrals is available in Chapter 3 of the *Member Handbook*.

- Your provider may need **prior authorization (PA)** or an approval from Molina Dual Options before you get certain services. Covered services that need PA are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if you get PA from us. Covered drugs that need PA are marked in the *List of Covered Drugs.*

- You also have access to a **Care Coordinator** that you choose.

  - A **Care Coordinator** helps you manage your medical providers and services. Your Care Coordinator is your main contact. This person helps you manage all of your providers, services and makes sure you get what you need. You and/or your caregiver may request a change in the Care Coordinator assigned, as needed, by calling the Care Coordinator or Member Services. Additionally, Molina Dual Options staff may make changes to your Care Coordinator assignment based upon your needs (cultural / linguistic / physical / behavioral health/ religion) or location. Contact your Care Coordinator at (855) 735-5604, TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. ET.

- Your **Care Team** , led by a Care Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Integrated Care Team. You, your family member and/or your Legally Authorized Representative (LAR) are the most important members of the Integrated Care Team. You can tell us who else you would like to participate. Your Integrated Care Team may include:
    - You
    - Your family member and/or authorized representative
    - Your Care Coordinator
    - Your Primary Care Provider (PCP)
    - Representatives from the facility where you receive care
    - Your behavioral health clinician (if you have one)
    - Your long-term services and supports (LTSS) providers (if you have them)

Your Integrated Care Team can also include the following people, if it is appropriate and if you agree:

- A pharmacist
- Nurses, specialists, social workers, and other people who can provide expert advice
- Family members
- Other informal caregivers
- Advocates
- State agency or other Care Coordinators

Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. A PCP is a physician, advanced practice nurse practitioner, physician assistant, and/or medical home/clinic (Federally Qualified Health Centers (FQHC) who gives you routine health care. You may be able to have a specialist act as your PCP, when the specialist is willing to provide your routine healthcare. Please contact Member Services at(855) 735-5604, TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. ET. for assistance.

To choose a PCP, refer to the list of providers in section C and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at (855) 735-5604 TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. ET. The call is free. Or, visit **MolinaHealthcare.com/Duals**.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B4. Long-term supports and services (LTSS)

As a Molina Dual Options member, you may be able to get long term supports and services (LTSS), such as home health, personal care, nursing home and home and community based services (adult day program, respite, expanded community living supports, preventive nursing services, private duty nursing, and other services). LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You should discuss long-term supports and services with your Care Coordinator to determine which services you qualify for and how to access them.

B5. How to identify providers in Molina Dual Options' network

You may need a referral for someone who is not a Primary Care Provider (PCP). There is more information about referrals in Section B1 of this Directory.

You must get all of your covered services from providers within our network. If you use providers who are not in Molina Dual Options' network (without PA from us), you will have to pay the bill.

A PA is an approval from Molina Dual Options before you can get a specific service, drug, or use an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. Medicare and Medicaid do not provide coverage for emergency medical care outside the United States and its territories except under limited circumstances. Contact the plan for details. You can also use providers outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You can call Member Services at (855) 735-5604, TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. ET. if you want more information about our Molina Dual Options providers or if you need help with changing your PCP. For some providers, you may need a referral from your PCP.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Care Coordinator for assistance.

B6. How to find Molina Dual Options providers in your area

When you enroll in the Molina Dual Options plan, you must choose a PCP to provide your basic medical care and coordinate your care. You may find a PCP close to where you live by checking the PCP listings in this directory. Locate your county, city and zip code and then choose a PCP from that list who are accepting new patients ♦. All providers have access to language line interpreters.

You can also visit **MolinaHealthcare.com/Duals** to get the most up-to-date list of network providers. You can get a printed copy of all information posted on the Molina Dual Options website upon request. B. Proveedores

B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, tales como doctores, enfermeros especializados, psicólogos y especialistas que ofrecen servicios de la audición, dentales u oftalmológicos, además del personal de enfermería, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, servicios y apoyo a largo plazo (Long Term Supports and Services, LTSS), suministros, medicamentos recetados, equipos y otros servicios.
  - El término “proveedores” también se refiere a centros, tales como hospitales, clínicas y otros lugares que brindan servicios médicos, equipos médicos, además de servicios y apoyo a largo plazo.
  - Los proveedores que forman parte de la red de nuestro plan se denominan **proveedores de la red**.
- Los **proveedores de la red** son los proveedores contratados para prestar servicios a los miembros de nuestro plan. En general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Por lo general, cuando visita a un proveedor de la red, no debe pagar nada por los servicios cubiertos.
- Un **Proveedor de Cuidados Primarios** (Primary Care Provider, PCP) es un médico, un médico asociado, un enfermero especializado, o bien un hogar médico o clínica (Federally Qualified Health Centers (FQHC) que le brindan atención médica de rutina. Su

PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una remisión en caso de que necesite consultar a un especialista u otro proveedor.

- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
  - Los oncólogos atienden a los pacientes con cáncer.
  - Los cardiólogos atienden a pacientes con afecciones cardíacas.
  - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Es posible que necesite una **remisión** para consultar a un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si usted no obtiene una remisión, Molina Dual Options no podrá cubrir el servicio.
  - Las remisiones de parte de su PCP de la red no son necesarias para lo siguiente:
    - Atención de emergencia.
    - Atención médica requerida urgentemente.
    - Servicios de diálisis renal que obtenga de un centro de diálisis autorizado por Medicare cuando se encuentre fuera del área de servicio del plan; **o**
    - servicios de un especialista en salud de la mujer.
    - vacunaciones contra la gripe y la neumonía siempre que las obtenga de un proveedor de la red.
  - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos pagarles a los proveedores de servicios de salud para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan.
  - Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.
- También tiene acceso a un **Coordinador de Cuidados** de su elección.
  - Un **Coordinador de Cuidados** lo ayuda a gestionar sus proveedores y servicios médicos. Su Coordinador de Cuidados es su contacto principal. Esta persona ayuda a administrar todos sus proveedores y servicios y se asegura de que usted obtenga lo que necesite. Usted o su cuidador pueden solicitar un cambio del Coordinador de Cuidados asignado según sea necesario. Para ello, llame al Coordinador de Cuidados o al Departamento de Servicios para Miembros. Además, el personal de Molina Dual Options puede realizar cambios en la asignación de su Coordinador de Cuidados en función de sus necesidades (culturales/lingüísticas/físicas/de salud conductual/

religiosas) o ubicación. Llame a su Coordinador de Cuidados al (855) 735-5604, TTY: 711, De lunes a viernes, de 8 a.m. a 8 p.m. ET.

- El **Equipo de Cuidados** a cargo de un Coordinador de Cuidados, es un grupo de defensores y proveedores que trabajan en conjunto para proporcionarle atención médica, salud conductual, tratamiento contra el consumo de sustancias, servicios y apoyo a largo plazo, y necesidades sociales. Usted tiene acceso a su propio Equipo de Cuidados Integrados e información sobre el desarrollo de este. Usted, su familiar o su representante legalmente autorizado (LAR) son los miembros más importantes del Equipo de Cuidados Integrados. Puede decirnos quién más le gustaría que participe. Su Equipo de Cuidados Integrados puede incluir a las siguientes personas:
  - Usted
  - Sus familiares y/o representante autorizado
  - Su Coordinador de Cuidados
  - Su Proveedor de Cuidados Primarios (PCP)
  - Representantes del centro donde recibe atención médica
  - Su doctor especialista en trastornos conductuales (si lo tiene)
  - Sus proveedores de LTSS (si los tiene)

Su Equipo de Cuidados Integrados también puede incluir a las siguientes personas, si es apropiado y si usted está de acuerdo:

- Un farmacéutico
- Enfermeras, especialistas, trabajadores sociales y otras personas que pueden proporcionar asesoramiento especializado
- Familiares
- Otros cuidadores informales
- Defensores
- Una agencia estatal u otros Coordinadores de Cuidados

Todos los miembros del Equipo de Cuidados trabajan en conjunto para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que se le realicen las pruebas y los análisis de laboratorio una vez y que los resultados se compartan con los proveedores apropiados. También significa que su PCP debe estar informado acerca de todos los medicamentos que usted toma a fin de que este pueda reducir cualquier efecto negativo para su salud. Su PCP siempre solicitará su permiso antes de compartir su información médica con otros proveedores.

B2. Tiempos de espera en atención primaria y salud mental

Debemos proporcionarle acceso a los servicios de atención primaria y de salud conductual dentro de los siguientes plazos:

- inmediatamente en caso de urgencia o emergencia;

- en un plazo de 7 días para los servicios que no sean una emergencia ni se necesiten con urgencia, pero en los que usted requiera atención médica; o
- en un plazo de 30 días para servicios de salud de rutina y preventivos.

B3. Proveedor de Cuidados Primarios (PCP)

Puede obtener servicios de cualquier proveedor que se encuentre en nuestra red y que acepte nuevos miembros.

En primer lugar, deberá elegir un Proveedor de Cuidados Primarios. Un PCP es un médico, una enfermera especializada avanzada, un auxiliar médico o un profesional de atención médica en clínicas/el hogar (Centros de salud acreditados a nivel federal FQHC, por sus siglas en inglés) que le brinda a usted cuidados de salud de rutina. También podrá contar con un especialista para que trabaje como su PCP, siempre y cuando el especialista esté dispuesto a proporcionarle atención médica de rutina. Comuníquese con el Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, De lunes a viernes, de 8 a.m. a 8 p.m. ET. para solicitar asistencia.

Para elegir un PCP, consulte la lista de proveedores en la sección C y elija un proveedor:

- que utiliza ahora, o
- que haya sido recomendado por alguien de su confianza, **o bien**
- cuyo consultorio sea de fácil acceso para usted **o**;
- Si necesita ayuda para elegir un PCP, comuníquese con el Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, De lunes a viernes, de 8 a.m. a 8 p.m. ET. Esta llamada es gratuita. O visite **MolinaHealthcare.com/Duals**.
- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros y pregunte antes de obtener el servicio o la atención

B4. Servicios y Apoyo a Largo Plazo (LTSS)

Como miembro de Molina Dual Options, puede obtener acceso a servicios y apoyo a largo plazo (LTSS), tales como atención médica domiciliaria, cuidado personal, residencia para ancianos y servicios en la comunidad y en el hogar (programa diurno para adultos, relevo, servicios prolongados para vivir en comunidad, servicios de enfermería preventivos, servicio privado de enfermería y otros servicios). Los LTSS ayudan a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, cocinar y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Debe analizar los servicios y apoyo a largo plazo con su Coordinador de Cuidados a fin de determinar para qué servicios califica y cómo acceder a ellos.

B5. Cómo identificar a los proveedores de la red de Molina Dual Options

Es posible que necesite una remisión para acudir a otro profesional que no sea un Proveedor Cuidados Primarios (PCP). Encontrará más información sobre las remisiones en la sección B1 de este Directorio.

Usted debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina Dual Options (sin PA de nosotros), usted tendrá que pagar la factura.

> Una **PA** es una aprobación de Molina Dual Options antes de que usted pueda recibir un servicio o medicamento específicos o recurrir a un proveedor fuera de la red. Es posible que Molina Dual Options no cubra el servicio o medicamento si no obtiene la aprobación.

Las excepciones a esta regla son cuando necesita atención urgente o de emergencia, o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. Usted también puede recurrir a proveedores fuera del plan o del grupo médico de su PCP para otros servicios que no sean de emergencia si Molina Dual Options lo autoriza primero.

- Puede cambiar de PCP dentro de la red, en cualquier momento durante el año. Si ha estado viendo a un proveedor de la red, no tiene que seguir atendiéndose con ese mismo proveedor. Puede cambiar de PCP por cualquier razón, en cualquier momento. Puede llamar al Departamento de Servicios para Miembros si desea más información sobre nuestros proveedores de Molina Dual Options o si necesita ayuda para cambiar de PCP. El Departamento de Servicios para Miembros hará efectivo el cambio de PCP el primer día del siguiente mes. Para algunos proveedores, es posible que necesite una remisión de parte de su PCP (excepto en casos de servicios de cuidados de urgencia y de emergencia).
- Molina Dual Options trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores dentro la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.
- Si necesita a un proveedor y no está seguro de si este le ofrece las adaptaciones que usted necesita, Molina Dual Options puede ayudarlo. Hable con su Coordinador de Cuidados para obtener ayuda.
