B. Providers

B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory.*

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long term services and supports.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a physician, nurse practitioner, or health care professional and/or medical home or clinic (Federally Qualified Health Centers - FQHC) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need a specialist or other provider.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to use a specialist or someone that is not your primary care provider (PCP). A **referral** means that your PCP must give you approval before you can use someone that is not your PCP. If you don't get a referral, Molina Dual Options STAR+PLUS MMP may not cover the service.
  - Referrals from your network PCP are not needed for:
    - emergency care;
    - urgently needed care;
    - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
    - services from a women's health specialist.
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **Service Coordinator** and a **Service Coordination team** that you choose.
  - A **Service Coordinator** helps you manage your medical providers and services.
  - Your **Service Coordination Team** led by a Service Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Service Coordination Team. The Service Coordination Team must include, first and foremost, you and/or your Legally Authorized Representative (LAR). You can tell us who else you would like to participate. Unless you tell us otherwise, your Service Coordination Team will include:
    - You and/or your LAR
    - Your Service Coordinator
    - Your Primary Care Provider (PCP)
    - Your behavioral health clinician (if you have one)

- Your long-term services and supports (LTSS) providers (if you have them)
- A pharmacist, and
- Representatives from the facility where you receive care

Your Service Coordination Team **can also include** the following people, if it is appropriate and if you agree:

- Nurses, specialists, social workers, and other people who can provide expert advice
- Family members
- Other informal caregivers
- Advocates
- State agency or other case managers.

The goal of Service Coordination is to collaboratively assess the member's unique health needs, create individualized care plans with prioritized goals, and facilitate services that minimize barriers to care so the member can live in the least restrictive environment with optimal health outcomes.

Everyone on the service coordination team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency.
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you should choose a Primary Care Provider. You may be able to have a specialist act as your PCP. For example, a women's health specialist, medical home or clinic who gives you routine health care can act as your PCP. In some special cases, a specialist may act as a PCP if the specialist performs primary care functions, including but not limited to FQHCs, rural health clinics, health departments, and other similar community clinics. Please request this by calling Member Services at the number below. Molina Dual Options STAR+PLUS MMP will review for medical necessity/ appropriateness and will obtain the written agreement from the specialist that he or she is willing to

accept responsibility for coordination of all of the member's health care needs. If the specialist is not willing to serve as the PCP, the request cannot be approved.

To choose a PCP, refer to the list of providers in section C and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at (866) 856-8699 TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. Or, visit **MolinaHealthcare.com/Duals**.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B4. Long-term services and supports (LTSS)

As a Molina Dual Options STAR+PLUS MMP member, you may be able to get long-term services and supports (LTSS), such as Personal Assistance Services (PAS) and Day Activity and Health Services (DAHS). These services promote independence and allow members to safely reside in a community setting for as long as possible. LTSS help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

Members can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your Service Coordinator about how to apply for these services, and all of the resources available to you under the plan.

B5. How to identify providers in Molina Dual Options STAR+PLUS MMP's network

You may need a referral to use someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this *Provider and Pharmacy Directory.*

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options STAR+PLUS MMP's network (without prior authorization or approval from us), you will have to pay the bill.

A **PA** is an approval from Molina Dual Options STAR+PLUS MMP before you can get a specific service, drug, or use an out-of-network provider. Molina Dual Options STAR+PLUS MMP may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Molina Dual Options STAR+PLUS MMP gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider.

For some services, you may need a referral from your PCP. You may change your PCP for any reason, at any time. You can call Member Services at (866) 856-8699, TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. local time, if you want more information about our Molina Dual Options STAR+PLUS MMP providers or if you need help changing your PCP. Member Services will make the PCP change effective on the first day of the following month.

- Molina Dual Options STAR+PLUS MMP works with all the providers in our network to accommodate the needs of people with disabilities. The list of network providers below includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Molina Dual Options STAR+PLUS MMP can help you. Talk to your Service Coordinator for assistance.

B. Proveedores

B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias*.

- **Los proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeros, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, Servicios y Apoyo a Largo Plazo (Servicios y Apoyo a Largo Plazo suministros, LTSS), suministros, medicamentos recetados, equipos y otros servicios.
  - El término "proveedores" también se refiere a centros, como hospitales, clínicas y otros lugares que brindan servicios de atención médica, equipo médico y servicios y apoyo a largo plazo.

- Los proveedores que forman parte de la red de nuestro plan se denominan **proveedores de la red**.

- Los **proveedores de la red** son los proveedores contratados para prestar servicios a los miembros de nuestro plan. En general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Por lo general, cuando visita a un proveedor de la red, no debe pagar nada por los servicios cubiertos.

- **El proveedor de atención médica primaria** (PCP) es un médico, una enfermera especializada, un profesional de atención médica o una clínica o un hogar médico (centros de salud acreditados a nivel federal FQHC) que le brinda atención médica de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una remisión en caso de que necesite consultar a un especialista u otro proveedor.El proveedor de atención médica primaria (PCP) es un médico, una enfermera especializada, un profesional de atención médica o una clínica o un hogar médico (centros de salud acreditados a nivel federal FQHC) que le brinda atención médica de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.

- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:

  - Los oncólogos atienden a los pacientes con cáncer.

  - Los cardiólogos atienden a pacientes con afecciones cardíacas..

  - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.

- Es posible que necesite una **remisión** para consultar a un especialista o a alguien que no sea su proveedor de cuidados primarios (PCP). Una **remisión** significa que su PCP debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si no recibe la autorización, Molina Dual Options STAR+PLUS MMP no podrá cubrir los servicios.

  - Las remisiones de parte de su PCP de la red no son necesarias para lo siguiente:

    - atención de emergencia.

    - atención médica requerida urgentemente.

    - servicios de diálisis renal que obtenga de un centro de diálisis autorizado por Medicare cuando se encuentre fuera del área de servicio del plan;**o**

    - servicios de un especialista en salud de la mujer.

  - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos

pagarles a los proveedores de servicios de salud para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan.

- Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.

- Además, tiene acceso a un **Coordinador de Servicios** y a un **Equipo de Coordinación de Servicios** que usted elija.
  - Un **Coordinador de Servicios** lo ayuda a gestionar sus proveedores y servicios médicos.
  - Su **equipo de coordinación de servicios** a cargo de un Coordinador de Servicios es un grupo de defensores y proveedores que trabajan en conjunto para proporcionarle atención médica, salud conductual, tratamiento contra el abuso de sustancias, Servicios y Apoyo Prolongados y necesidades sociales. Usted tiene acceso a su propio Equipo de Coordinación de Servicios e información sobre el desarrollo de este. El equipo de coordinación de servicios debe incluir, en primer lugar, a usted o a su representante legalmente autorizado (LAR). Puede decirnos quién más le gustaría que participe. A menos que nos indique lo contrario, el equipo de coordinación de servicios incluirá lo siguiente:
    - A usted o un LAR.
    - Su coordinador de servicios
    - Su Proveedor de Cuidados Primarios (PCP)
    - Su doctor especialista en trastornos conductuales (si lo tiene)
    - Sus proveedores de servicios y apoyo a largo plazo (LTSS) (si tuviera).
    - Un farmacéutico, y
    - Representantes del centro donde recibe atención médica

    Su Equipo de Coordinación de Servicios **también puede incluir** a las siguientes personas, si es apropiado y si usted está de acuerdo:

    - Enfermeras, especialistas, trabajadores sociales y otras personas que pueden proporcionar asesoramiento especializado
    - Familiares
    - Otros cuidadores informales
    - Defensores
    - Una agencia estatal u otros Administradores de casos.

El objetivo de la Coordinación de Servicios es evaluar de manera colaborativa las necesidades de salud únicas del miembro, crear planes de atención individualizados con objetivos prioritarios y

facilitar servicios que minimicen las barreras para el cuidado, de modo que el miembro pueda vivir en el entorno menos restrictivo con resultados de salud óptimos.

Todos los miembros del equipo de coordinación de servicios trabajan en conjunto para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que se le realicen las pruebas y los análisis de laboratorio una vez y que los resultados se compartan con los proveedores apropiados. También significa que su PCP debe estar informado acerca de todos los medicamentos que usted toma a fin de que este pueda reducir cualquier efecto negativo para su salud. Su PCP siempre solicitará su permiso antes de compartir su información médica con otros proveedores.

B2. Tiempos de espera en cuidados primarios y salud conductual

Debemos brindarle acceso a los servicios de cuidados primarios y de salud conductual dentro de los siguientes plazos:

- inmediatamente para los servicios que se necesitan con urgencia o son una emergencia.
- en un plazo de 7 días para los servicios que no sean una emergencia ni se necesiten con urgencia, pero usted requiera atención médica; o
- en un plazo de 30 días para servicios de salud de rutina y preventivos.

B3. Proveedor de Cuidados Primarios (PCP)

Puede obtener servicios de cualquier proveedor que se encuentre en nuestra red y que acepte nuevos miembros

En primer lugar, debe elegir un Proveedor Cuidados Primarios. Es posible que pueda contar con un especialista que se desempeñe como su PCP. Por ejemplo, un especialista en salud de la mujer, un centro médico o clínica que le brinda atención médica de rutina puede desempeñarse como su PCP. En algunos casos especiales, un especialista puede desempeñarse como un PCP si el especialista realiza funciones de atención primaria, entre las que se incluyen funciones en FQHC, clínicas de salud rural, departamentos de salud y otras clínicas comunitarias similares. A fin de solicitar esto, llame al Departamento de Servicios para Miembros al número que aparece a continuación. Molina Dual Options STAR+PLUS MMP revisará la necesidad médica/idoneidad y obtendrá un acuerdo por escrito de parte de un especialista, quien será responsable de la coordinación de todas las necesidades de atención médica del miembro. Si el especialista no está dispuesto a desempeñarse como PCP, no se puede aprobar la solicitud.

Para elegir un PCP, consulte la lista de proveedores en la sección C y elija un proveedor:

- que utiliza ahora **o**
- que haya sido recomendado por alguien de su confianza, **o bien**
- cuyo consultorio sea de fácil acceso para usted.
- Si necesita ayuda para elegir un PCP, comuníquese con el Departamento de Servicios para Miembros al (866) 856-8699, TTY: 711, de lunes a viernes, de 8 a.m. a 8 p.m. hora local. La llamada es gratuita. O bien, visite **MolinaHealthcare.com/Duals**.

- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros y pregunte **antes** de obtener el servicio o la atención.

Como miembro de Molina Dual Options STAR+PLUS MMP, puede obtener acceso a LTSS, como Servicios de Ayudante Personal (Personal Assistance Services, PAS) y Servicios de Salud y Actividades durante el Día (Day Activity and Health Services, DAHS). Los LTSS son ayuda para las personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, preparar las comidas y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Los miembros pueden acceder a diferentes clases y cantidades de LTSS. Si usted cree que necesita LTSS, puede hablar con su Coordinador de Servicios sobre cómo solicitar estos servicios y sobre todos los recursos disponibles para usted en el plan.
