# Your Welcome Call

On your New Member Welcome Call, we will help you with:

## Your plan and coverage

- Explain your new benefits and how to use them

## Your doctor

- Confirm that your primary care provider (PCP) and other providers are covered in your network
- Help you schedule your first appointment

## Your prescriptions

- Ensure we cover the prescriptions that you take
- Talk about what to do if your medications are not covered

## Your healthy rewards

- Explain how you can earn rewards for completing healthy activities

## Schedule your visit with Molina Care Connections

During your Welcome Call, we can schedule a telehealth or in-person visit with a Molina Care Connections advanced nurse practitioner. When you have your Care Connections visit, expect to:

- Review your health history and have an **annual wellness visit**. This visit is at no additional cost to you. Completing this visit also qualifies you for rewards.
- Learn about your medications and answer questions about them. Although we cannot prescribe you new or existing medications, we will work with your PCP if any changes are needed.
- Address chronic illnesses such as high blood pressure (hypertension) or diabetes by completing any relevant tests or exams
- Arrange for any other tests if you need them and help you set up transportation, education, or help at home
- Create a plan of care to make sure you get the help and services you need
- Find or change your PCP if necessary, and schedule a visit and set up transportation if needed
- Get help setting up online resources such as the My Molina portal

We share the information from this visit with your doctor so they can help you get the best care.

If you have any questions about your Care Connections visit, call us at (844) 491-4763 (TTY: 711). You can also visit [MolinaCC.com](https://www.molinahealthcare.com) to learn more. We would be happy to help you!

## Finding Providers and Medications

**Review your Evidence of Coverage (EOC)** for information about your benefits and services, who to contact when you need information, and more.

Find doctors, pharmacies, and other providers on our **Provider Online Directory**. This tool lets you look for providers by name, specialty, what languages they speak, or how close they are to you. Visit our website at [MolinaHealthcare.com](https://www.molinahealthcare.com) or your My Molina portal.

**Find out if your drug is covered.** Our list of covered drugs (Formulary) tells you which drugs your plan pays for along with any rules or special requirements. You can find the formulary and your prescription drug benefit information on our website. Visit [MolinaHowDoI.com/MyMeds](https://www.molinahealthcare.com/MyMeds) for more information.

## Getting medication refills

- **Use network pharmacies for the best cost:** If you need to refill medications, be sure you are using one of our network pharmacies by visiting the My Molina portal.
- **Plan ahead:** If your medication is currently with a different pharmacy, talk to your pharmacist or PCP about transferring your medication. Make sure to allow time for the transfer so you don't run out of your medication.
- **Take fewer trips to the pharmacy:** Many medications are eligible for 100-day refills at the same copay as 90-day refills at all in-network pharmacies or through mail order. Talk to your PCP about if this is an option for you.

On the My Molina portal, you will also find a direct link to [CVS.com](https://www.cvs.com) to see your medications. Using this link, [CVS.com](https://www.cvs.com) will recognize your sign-in information.

## Unlock the full potential of your supplemental benefits

You will receive your **white supplemental benefits card**, called MyChoice in the mail. You can use this card for benefits such as over-the-counter (OTC) supplies, transportation, SSBCI healthy food and produce, and to redeem your rewards.

# Know where to go for care

**For a non-emergency, you have choices to access care**  
 Watch the access to care video at [MolinaHowDol.com/accesscare](https://MolinaHowDol.com/accesscare)

**If you are experiencing a life-threatening condition, call 911 immediately or go to the nearest emergency room. This includes things like chest pain, trouble breathing, fainting, uncontrolled bleeding, seizures, or a serious accident.**

You have many options for non-emergency care. Watch the access to care video at [MolinaHowDol.com/accesscare](https://MolinaHowDol.com/accesscare) for more information.

## Urgent Care

Urgent care is best for issues that are not life-threatening but cannot wait until the next day. Go to a nearby urgent care for things like:

- |                        |                                     |
|------------------------|-------------------------------------|
| • Cold or flu symptoms | • Ear pain                          |
| • Sore throat          | • Sprains, strains, or deep bruises |
| • Stomach flu or virus | • Wounds that may require stitches  |

## **24-Hour Nurse Advice Line (866) 472-0601 (TTY: 711), 24 hours a day, 7 days a week**

## Get rewarded for staying on top of your health

It is very important to see your primary care provider (PCP) to check in on how you are doing, make sure your medications are working well, and get advice to stay on top of your health.

You can earn rewards by getting regular checkups and screenings. For more details, visit the My Molina portal. You can get rewarded for these healthy actions:

- Completing an **annual wellness visit** with your PCP or Molina Care Connections
- Getting screenings for breast cancer or colon cancer if your PCP orders them
- Getting your annual flu shot
- If you have diabetes – getting a diabetic eye exam, A1c screening, or kidney health test

A case manager can be assigned to you if you are a member of a Molina Complete Care or Complete Care Select plan, also known as a DSNP plan. If you have one or more of the following conditions, you may qualify and should be referred for evaluation:

- Chronic illness (behavioral health conditions, diabetes, hypertension)
- Catastrophic medical conditions (organ transplant, cancer treatment)
- Seeing multiple providers and needing help with navigating the health system
- If you have frequent emergency room visits or hospitalizations

You can enroll in Case Management with a referral from your provider or by calling our Member Services team at (800) 665-3086 (TTY: 711) and asking for a referral.
