

## "Formulario del plan complementario de Medicare de 2025, ID FIDE"

Medicare Parte D es el pagador principal del plan Idaho FIDE y debería brindar acceso a todos los medicamentos médicamente apropiados a través del formulario de la Parte D, determinación de cobertura o proceso de apelación. Se espera que el beneficio suplementario para medicamentos de Medicare se utilice además del formulario de Medicare para los siguientes medicamentos que pueden excluirse de la cobertura de Medicare Parte D: algunos medicamentos sin receta, medicamentos de venta libre (cuando se obtiene una receta), algunas vitaminas recetadas y otros medicamentos excluidos de la Parte D.
