B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs (Drug List)*. You can read all the FAQ to learn more or look for a question and answer.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the “*Drug List*” for short.)

The drugs on the *Drug List* that starts in **Section C1** are the drugs covered by Molina Medicare Complete Care Plus (HMO D-SNP). The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

- Our plan will cover all medically necessary drugs on the *Drug List* if:
 - your doctor or other prescriber says you need them to get better or stay healthy,
 - Our plan agrees that the drug is medically necessary for you, **and**
 - you fill the prescription at a plan network pharmacy.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at MolinaHealthcare.com/Medicare or call Member Services at the number in the footer of this document.

B2. Does the *Drug List* ever change?

Yes, and our plan must follow Medicare and Medi-Cal rules when making changes. We may add or remove drugs on the *Drug List* during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from our plan before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we'll cover another drug.)

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

For more information on these drug rules, refer to question B4.

If you're taking a drug that was covered at the **beginning** of the year, we'll generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the *Drug List* now, or
- we learn that a drug isn't safe, or
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the *Drug List* changes.

- You can always check our plan's up-to-date *Drug List* online at MolinaHealthcare.com/Medicare. Updates to the *Drug List* are posted on the website monthly.
- You can also call Member Services at the number in the footer of this document to check the current *Drug List*.

B3. What happens when there's a change to the *Drug List*?

Some changes to the *Drug List* will happen **immediately**. For example:

- **Substitutions of certain new versions of drugs.** We may immediately remove the drugs from the *Drug List* if we replace them with certain new versions of that drug, but your cost for the new drug but your cost for the new drug will remain \$0. When we add a new version of a drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
 - We can make these changes only if the drug we're adding:
 - is a new generic version of a brand name drug, or
 - is a certain new biosimilar version of original biological products on the *Drug List* (for example, adding an interchangeable biosimilar that can be substituted for an original biological product without a new prescription).
 - Some of these drug types may be new to you. For more information, refer to **Section B14**.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

- You or your provider can ask for an exception from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.
- **Remove unsafe drugs and other drugs that are taken off the market.** Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off the *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. Talk with your doctor or other prescriber to find an alternative that is safe for you.

We may make other changes that affect the drugs you take. We'll tell you in advance about these other changes to the *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We remove a brand name drug from the *Drug List* when adding a generic drug that isn't new to the market, or
- we remove an original biological product when adding a biosimilar, or
- we change the coverage rules or limits for the brand name drug.

When these changes happen, we'll:

- tell you at least 30 days before we make the change to the *Drug List* or
- let you know and give you a 31-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- if there's a similar drug on the *Drug List* you can take instead or
- whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases, you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from our plan before you fill your prescription. Prior authorization is

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. different from a referral. Our plan may not cover the drug if you don't get prior authorization.

- **Quantity limits:** Sometimes our plan limits the amount of a drug you can get.
- **Step therapy:** Sometimes our plan requires you to do step therapy. This means you'll have to try drugs in a certain order for your medical condition. You might have to try one drug before we'll cover another drug. If your prescriber thinks the first drug doesn't work for you, then we'll cover the second.

You can find out if your drug has any additional requirements or limits by looking in the tables in **Section C1**. You can also get more information by visiting our website at MolinaHealthcare.com/Medicare. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception from these limits. This will give you time to talk to your doctor or other prescriber. They can help you decide if there's a similar drug on the *Drug List* you can take instead or whether to ask for an exception. Refer to questions B10-B12 for more information about exceptions.

B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?

The table in the section titled "List of Drugs by Medical Condition" has a column labeled "Necessary actions, restrictions, or limits on use."

B6. What happens if our plan changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?

In some cases, we'll tell you in advance if we add or change prior authorization, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the *Drug List* change.

B7. How can I find a drug on the *Drug List*?

There are two ways to find a drug:

- you can search alphabetically, **or**
- you can search by medical condition *or*.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

To search **alphabetically**, look for your drug in the Index of Covered Drugs section. You can find it in **Section D**.

To search **by medical condition**, find **Section C1** labeled “List of Drugs by Medical Condition”. The drugs in this section are grouped into categories depending on the type of medical conditions they’re used to treat. For example, if you have a heart condition, you should look in Cardiovascular category. That’s where you’ll find drugs that treat heart conditions.

B8. What if the drug I want to take isn’t on the *Drug List*?

If you don’t find your drug on the *Drug List*, call Member Services at the number in the footer of this document and ask about it. If you learn that our plan won’t cover the drug, you can do one of these things:

- Ask *Member Services* for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the *Drug List* that’s like the one you want to take. **Or**
- Ask our plan to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

B9. What if I’m a new plan member and can’t find my drug on the *Drug List* or have a problem getting my drug?

We can help. We may cover a temporary 31-day supply of your drug during the first 90 days you’re a member of our plan. This will give you time to talk to your doctor or other prescriber. They can help you decide if there’s a similar drug on the *Drug List* you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we’ll allow multiple refills to provide up to a maximum of 31 days of medication.

We’ll cover a 31-day supply of your drug if:

- you’re taking a drug that isn’t on our *Drug List*, **or**
- our plan rules don’t let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by our plan, **or**
- you’re taking a drug that’s part of a step therapy restriction.

If you’re taking a drug that our plan doesn’t consider to be a Part D drug, and the drug isn’t on the *Drug List*, and you have a problem getting the drug, it may be covered through Medi-Cal Rx. If a Part

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. D excluded drug requires an exception, and you have an emergency, Medi-Cal Rx will allow no less than 72-hour supply of the drug. Please visit the Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal BIC when getting prescriptions through Medi-Cal Rx.

If you're in a nursing home or other long-term care facility and need a drug that isn't on the *Drug List* or if you can't easily get the drug you need, we can help. If you've been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We'll cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you're a new plan member.
- This is in addition to the temporary supply during the first 90 days you're a member of our plan.

Transition Policy

New members in our Plan may be taking drugs that aren't on our formulary or that are subject to certain restrictions, such as prior authorization or step therapy. Current members may also be affected by changes in our formulary from one year to the next. Members should talk to their doctors to decide if they should switch to a different drug that we cover or request a formulary exception in order to get coverage for the drug. See the Member Handbook to learn more about how to request an exception. Please contact Member Services if your drug is not on our formulary, is subject to certain restrictions, such as prior authorization or step therapy, or will no longer be on our formulary next year and you need help switching to a different drug that we cover or requesting a formulary exception.

During the period of time members are talking to their doctors to determine the right course of action, we may provide a temporary supply of the non-formulary drug if those members need a refill for the drug during the first 90 days of new membership in our Plan for Part D drugs. If you are a current member affected by a formulary change from one year to the next, we will provide a temporary supply of the non-formulary drug if you need a refill for the drug during the first 90 days of the new plan year.

When a member goes to a network pharmacy and we provide a temporary supply of a drug that isn't on our formulary, or that has coverage restrictions or limits (but is otherwise considered a "Part D drug"), we will cover a 31-day supply (unless the prescription is written for fewer days). After we cover the temporary 31-day supply, we generally will not pay for these drugs as part of our transition policy again.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

We will provide you with a written notice after we cover your temporary supply. This notice will explain the steps you can take to request an exception and how to work with your doctor to decide if you should switch to an appropriate drug that we cover.

If a new member is a resident of a long-term-care facility (like a nursing home), we will cover a temporary 31-day transition supply (unless the prescription is written for fewer days). If necessary, we will cover more than one refill of these drugs during the first 90 days a new member is enrolled in our Plan. If the resident has been enrolled in our Plan for more than 90 days and needs a drug that isn't on our formulary or is subject to other restrictions, such as step therapy or dosage limits, we will cover a temporary 31-day emergency supply of that drug (unless the prescription is for fewer days) while the new member pursues a formulary exception. Exceptions are available in situations where you experience a change in the level of care you are receiving that also requires you to transition from one facility or treatment center to another. In such circumstances, you would be eligible for a temporary, one-time fill exception even if you are outside of the first 90 days as a member of the plan.

B10. Can I ask for an exception to cover my drug?

Yes. You can ask our plan to make an exception to cover a drug that isn't on the *Drug List*.

You can also ask us to change the rules on your drug.

- For example, our plan may limit the amount of a drug we'll cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

B11. How can I ask for an exception?

To ask for an exception, call *Member Services*. Member Services representative will work with you and your prescriber to help you ask for an exception. You can also read **Chapter 9 Section G2** of the *Member Handbook* to learn more about exceptions.

B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we'll give you a decision within 72 hours. Your doctor or other prescriber can fax or mail us the supporting statement to (866) 290-1309. They can also tell us by phone and then fax or mail the statement.

Send the prescriber statement to:
Molina Healthcare

7050 S Union Park Center, Suite 600

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we'll give you a decision within 24 hours of getting your prescriber's supporting statement.

B13. What are generic drugs?

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and generally work just as well. They usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA). There are generic drugs available for many brand name drugs. Generic drugs usually can be substituted for brand name drugs at the pharmacy without a new prescription—depending on state laws.

Our plan covers both brand name drugs and generic drugs.

B14. What are original biological products and how are they related to biosimilars?

When we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have forms that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For more information on drug types, refer to **Chapter 5** of the *Member Handbook*.

B15. Does our plan cover non-drug OTC products?

Our plan covers some non-drug OTC products when they're written as prescriptions by your provider.

You can read the plan *Drug List* to find out what non-drug OTC products are covered.

B16. Does our plan cover long-term supplies of prescriptions?

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 100-day supply of your drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

- **100-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 100-day supply of covered drugs. A 100-day supply has the same copay as a one-month supply.

B17. Can I get prescriptions delivered to my home from my local pharmacy?

Your local pharmacy may be able to deliver your prescription to your home. You can call your pharmacy to find out if they offer home delivery.

B18. What's my copay?

Our plan members have for prescription and OTC drugs and non-drug products if the member follows the plan's rules. Refer to questions B15 and B16 for more information about OTC drugs and non-drug products.

Tiers are groups of drugs on our *Drug List*.

- Tier 1 Preferred Generic drugs have \$0 copay.
- Tier 2 Generic name drugs have \$0, \$1.60, or \$5.10 copay for generic drugs (including brand drugs treated as generic) \$0, \$4.90, or \$12.65 copay for all other drugs per prescription.
- Tier 3 Preferred Brand: \$0, \$1.60, or \$5.10 copay for generic drugs (including brand drugs treated as generic) \$0, \$4.90, or \$12.65 copay for all other drugs per prescription.
- Tier 4 Non-Preferred Drug: \$0, \$1.60, or \$5.10 copay for generic drugs (including brand drugs treated as generic) \$0, \$4.90, or \$12.65 copay for all other drugs per prescription.
- Tier 5 Specialty Tier: \$0, \$1.60, or \$5.10 copay for generic drugs (including brand drugs treated as generic) \$0, \$4.90, or \$12.65 copay for all other drugs per prescription.
- Drug Tier 6 Select Care Drugs: \$0 copay.

OTCs have a \$0 copay.

C. Overview of the *List of Covered Drugs*

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

The *List of Covered Drugs* gives you information about the drugs covered by our plan. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins in **Section D**. The index alphabetically lists all drugs covered by our plan.

Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

Appeals Under Part D

- An appeal is a formal way of asking us to review a decision we made about your coverage and to change it if you think we made a mistake.
- For example, we might decide that a drug that you want isn't covered or is no longer covered by Medicare or Medi-Cal.
- If you or your prescriber disagrees with our decision, you can appeal. If you ever have a question, call Member Services at the number in the footer of this document.
- You can also read **Chapter 9** of the *Member Handbook* to learn how to appeal a decision.
- Drugs that aren't a Part D drug have different rules for appeals.

C1. List of Drugs by Medical Condition

The drugs in this section are grouped into categories depending on the type of medical conditions they're used to treat. For example, if you have a heart condition, you should look in the category, Cardiovascular. That's where you'll find drugs that treat heart conditions.

Here are the meanings of the codes used in the "Necessary actions, restrictions, or limits on use" column:

PA = Prior Authorization (approval): you must have approval before you can get this drug.

QL = Quantity Limits: the amount of the drug that the plan will cover.

ST = Step Therapy Criteria: you must try another drug before you can get this one.

NM = Non-Mail Order: this drug cannot be filled through mail order.

B/D = This drug may be covered under Medicare Part B or D depending upon the circumstances.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

_ = Non-Part D Drugs, or OTC items that are covered by Medicaid.

NDS = Non-Extended Days Supply: you will be limited to how many days supply you can receive.

The first column of the table lists the name of the drug. Generic drugs are listed in lower-case italics (for example, *metformin hcl*), brand name drugs are capitalized (for example, JANUVIA TABS). The information in the “Necessary actions, restrictions, or limits on use” column tells you if our plan has any rules for covering your drug.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (800) 665-3086, (TTY: 711), October 1 – March 31: 7 days a week, 8 a.m. to 8 p.m. local time, April 1 - September 30: Monday – Friday, 8 a.m. to 8 p.m. local time.
