  - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a Molina One Care member.
  - Providers that are a part of our plan's network are called **network providers**.

  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** or a specialist or someone that isn't your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Molina One Care** (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Molina One Care may not cover the service, item, or drug.
  - Referrals or prior authorization **aren't** needed for:
    - emergency care;
    - urgently needed care;
    - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area;

- services from a women's health specialist
- office visits with a network specialist; or
- flu shots, Hepatitis B vaccinations and pneumonia vaccinations.

○ Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.

○ More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook.*

- You'll also be assigned a **Care Team.** Your **Care Team** includes your Nurse Care Manager, PCP and other providers involved in your care. You can also choose family members or caregivers to be part of your Care Team. Just let your Nurse Care Manager know who you'd like to include. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:

  ○ A **Nurse Care Manager (NCM)** who helps you manage your medical providers and services. Your NCM helps you get care, answers questions and more.

  ○ Your **Primary Care Provider**

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). If you're getting ongoing specialty care from a provider who is credentialed as a dual PCP and specialist (such as a PCP and a Cardiologist), you may choose your specialist as your PCP. If you have questions, call Member Services at the number in the footer of this document. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.
- You may also search for a PCP on our Find a Doctor or Pharmacy search tool at **MolinaHealthcare.com/Medicare**. Search by name, specialty, and proximity to your home.
- If you don't choose a PCP in our network, Molina One Care will choose one for you.
- If you want help in choosing a PCP, please call Member Services at the numbers in the footer of this document. Hours are October 1 – March 31, 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 – September 30, Monday – Friday, 8 a.m. to 8 p.m. local time. The call is free. Or, visit **MolinaHealthcare.com/Medicare**.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at the numbers in the footer of this document and ask **before** you get the service or care.

B4. How to access Long-term Services and Supports (LTSS) providers

As a Molina One Care member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as Adult Day Health, Adult Foster Care, Group Adult Foster Care and Personal Care Attendant services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS, an LTS Coordinator can help you and your Care Team determine what options are available to support you in the way you want. You always have the right to have an LTS Coordinator on your Care Team.

B5. How to access Molina One Care's network providers

You may need a referral for someone who isn't a PCP Provider. There's more information about referrals in **Section B1**.

You must get all of your covered services from providers within our network. If you use providers who aren't in Molina One Care's network **(without prior authorization), you may have to pay the bill.**

A **prior authorization** is an approval from Molina One Care to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home You can also go outside the plan for other non-emergency services if Molina One Care gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Molina One Care works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Molina One Care can help you. Talk to your Nurse Care Manager or Member Services for assistance.

C. Molina One Care's List of Network Providers

This part of the Directory includes a list of Molina One Care's network providers **who participate** in **and accept** Molina One Care. It contains:

- **Health care professionals** including primary care providers, specialists, behavioral health providers, dental service providers, and vision service providers;
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities; and
- **Support providers** including Long-term Services and Supports (LTSS) and community support services (for example, Adult Day Health, Social and Environmental Supports, Adult Foster Care, and Group Adult Foster Care).

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Providers are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Providers are listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, such as languages spoken (including American Sign Language (ASL)) or completion of cultural competence training.

To find a provider close to your home, look for the provider type first, then find the county and zip code. You may also use the Find a Doctor or Pharmacy search tool on our website. Using this tool, you can find providers by proximity to your home.

To request a hard copy of Molina One Care's provider directory, please call our Member Service Department at (888) 794-7268, (TTY: 711). Hours are October 1 – March 31, 8 a.m. to 8 p.m. local time, 7 days a week. From April 1 – September 30, Monday – Friday, 8 a.m. to 8 p.m. local time Molina One Care will mail a hard copy of the provider directory to you within three (3) business days of your request. Molina One Care may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the provider directory in hard copy permanently. If you request it, your request for hard copies of the provider directory remains until you leave Molina One Care or request that hard copies be discontinued.

You may get services from any of the providers on this list. For some services, you may need a referral from your PCP or prior authorization from Molina One Care.

You may also contact the provider directly to find out if they are accepting new patients.

All providers in this provider directory accept both Medicare and Medicaid.

Información General sobre los Proveedores de la Red de Molina One Care

B1. Términos clave

Esta sección explica los términos clave de nuestro Directorio.

- Los **proveedores** son profesionales como médicos, personal de enfermería, farmacéuticos, terapeutas y otras personas que prestan atención y servicios. Los **servicios** incluyen atención médica, LTSS (servicios y apoyo a largo plazo), suministros, medicamentos, equipos y otros servicios.
  - El término **proveedores** incluye centros como hospitales, clínicas y otros lugares que prestan servicios médicos y equipo médico. También incluye proveedores de LTSS a los que puede acudir como miembro de Molina One Care.
  - Los proveedores que forman parte de la red de nuestro plan se denominan **proveedores de la red**.
- Los **Proveedor de la red** tienen contratos con nosotros para prestar servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso significa que aceptan miembros de nuestro plan y prestan servicios que cubre nuestro plan. Por lo general, cuando acude a un proveedor de la red, no debe pagar nada por los servicios cubiertos.
- Un **Proveedor de Atención Primaria** (Primary Care Provider, PCP) es un médico, personal de enfermería especializada u otro profesional de la salud que le brinda atención médica de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una remisión en caso de que necesite consultar a un especialista u otro proveedor.
- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
  - Los oncólogos atienden a pacientes con cáncer.
  - Los cardiólogos atienden a pacientes con afecciones cardíacas.

- Los ortopedistas atienden a pacientes con determinadas afecciones óseas, articulares o musculares.

- Es posible que necesite una **remisión** o **autorización previa** para consultar a un especialista o a un profesional que no sea el PCP. Una **remisión** significa que su PCP de la red debe darle la aprobación antes de que usted pueda recurrir al otro proveedor. Una **autorización previa** es diferente a una remisión. Significa que **Molina One Care** (no el PCP de la red) debe darle su aprobación **antes** de que cubramos un servicio, artículo o medicamento específicos o a un proveedor fuera de la red. Si no obtiene una remisión o una autorización previa, es posible que Molina One Care no cubra el servicio, artículo o medicamento.

  - **No** se necesitan remisiones ni autorizaciones previas para los siguientes servicios:

    - atención de emergencia.
    - atención médica que se necesita con urgencia;
    - servicios de diálisis renal que reciba de un centro de diálisis autorizado por Medicare cuando se encuentre fuera del área de servicio del plan;
    - servicios de un especialista en salud de la mujer;
    - visitas al consultorio de un especialista de la red; o
    - Vacunas contra la gripe, Hepatitis B y neumonía.

  - Además, si es elegible para recibir servicios de proveedores de atención médica para Indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos pagarles a los proveedores de atención médica para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan

  - Encontrará más información sobre remisiones y autorizaciones previas en el*Capítulo 3*del Manual del Miembro.

- También, se le asignará un **Equipo de Atención.** Su **Equipo de Atención** ncluye al Administrador de Atención de Enfermería, PCP y otros proveedores involucrados en su atención. También, puede elegir a familiares o cuidadores para que formen parte de su Equipo de Atención. Solo debe informarle al Administrador de Atención de Enfermería a quién le gustaría incluir. Todos los miembros del Equipo de Atención trabajan en conjunto para asegurarse de que su atención sea coordinada. Esto significa que se aseguran de que obtenga todas las pruebas, los análisis de laboratorio y demás atención que necesite. A su vez, los resultados se comparten con los proveedores correspondientes. También significa que su PCP debe estar informado acerca de todos los medicamentos que usted toma a fin de que este pueda reducir cualquier efecto negativo para su salud. Su PCP siempre solicitará su permiso antes de compartir su información médica con otros proveedores. El Equipo de Atención puede incluir a los siguientes miembros:

  - Un **NCM (Administrador de Atención de Enfermería)** que le ayuda a administrar todos los servicios y proveedores médicos. El NCM le ayuda a obtener atención, responde a preguntas y mucho más.

  - Su **Proveedor de Atención Primaria.**

El Equipo de Atención también le ayudará a encontrar a otros proveedores de servicios médicos, de salud conductual o de Servicios y Apoyo a Largo Plazo (LTSS) si necesita un especialista u otro proveedor de atención médica. De esa manera, usted obtendrá el proveedor adecuado para ayudarle con sus inquietudes.

B2. Tiempos de espera para atención primaria y salud conductual

- Debemos proporcionarle acceso a los servicios de atención primaria y salud conductual dentro de los siguientes plazos: inmediatamente, en caso de servicios urgentes o una emergencia;
- en un plazo de 7 días para los servicios que no sean una emergencia ni se necesiten con urgencia, pero para los que usted requiera atención médica; o
- en un plazo de 30 días para servicios de atención preventiva y de rutina.

B3. Cómo elegir un Proveedor de Atención Primaria (PCP)

Primero, debe elegir un Proveedor de Atención Primaria (PCP). Si está recibiendo atención especializada continua de un proveedor que tiene la acreditación doble en calidad de PCP y especialista (como un PCP y un cardiólogo), puede elegir al especialista como PCP. Si tiene alguna pregunta, llame a Servicios para Miembros al número que aparece al pie de página de este documento. Puede elegir a cualquier PCP de nuestra red que acepte nuevos miembros.

- Para elegir a un PCP, consulte la lista de proveedores en la **Sección C** y escoja a un proveedor que reúna las siguientes características:
  - le presta servicios en la actualidad, **o**
  - ha sido recomendado por alguien de su confianza, **o bien**
  - su consultorio es de fácil acceso para usted.
- También, puede buscar a un PCP en nuestra herramienta de búsqueda Find a Doctor or Pharmacy (Buscar un médico o una farmacia) en **MolinaHealthcare.com/Medicare**. Busque por nombre, especialidad y cercanía a su casa.
- Si no elige un PCP de nuestra red, Molina One Care uno por usted.
- Si desea ayuda en la elección de un PCP, llame a Servicios para Miembros a los números que aparecen al pie de página de este documento. El horario de atención es de 8 a. m. a 8 p. m. El horario de atención es de 8 a. m. a 8 p. m., hora local, los 7 días de la semana, del 1. de octubre al 31 de marzo. Del 1. de abril al 30 de septiembre, de 8 a. m. a 8 p. m., hora local, de lunes a viernes. La llamada es gratuita. O visite **MolinaHealthcare.com/Medicare**.

B4. Cómo acceder a los Servicios y Apoyo a Largo Plazo (LTSS)

Como miembro de Molina One Care, podrá obtener Servicios y Apoyo a Largo Plazo (LTSS) si los necesita, como Atención Médica Diurna para Adultos, Cuidado Tutelar para Adultos, Cuidado Tutelar Grupal para Adultos y un Asistente de Cuidado Personal. Los LTSS ayudan a las personas que necesitan asistencia en la realización de tareas cotidianas como bañarse, vestirse, cocinar y tomar medicamentos. La

mayoría de estos servicios se brindan en su casa o comunidad, pero podrían prestarse en una residencia para ancianos o en un hospital. Los LTSS están disponibles para los miembros que cumplen determinados requisitos clínicos y económicos.

Si necesita LTSS, un Coordinador de LTSS puede ayudarle a usted y a su Equipo de Atención a determinar qué opciones están disponibles para apoyarle de la manera que usted desea. Usted siempre tiene el derecho a contar con un Coordinador de LTSS como parte de su Equipo de Atención.

B5. Cómo acceder a los proveedores de la red de Moline One Care

Es posible que necesite una remisión para acudir a otro profesional que no sea un Proveedor de Atención Primaria (PCP). Encontrará más información sobre las remisiones en la **sección B1.**

Debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina One Care **(sin autorización previa), es posible que tenga que pagar la factura.**

Una **autorización previa** es una aprobación de Molina One Care para que solicite servicios fuera de nuestra red u obtenga servicios que no están cubiertos habitualmente por nuestra red **antes** de que usted obtenga los servicios.

Las únicas excepciones a esta regla son cuando necesita atención urgente o de emergencia, o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. También, puede solicitar servicios fuera de la red que no sean de emergencia si Molina One Care le otorga el permiso previamente.

- Puede cambiar de proveedores dentro de la red, en cualquier momento durante el año. Si ha estado acudiendo a un proveedor de la red, no tiene que seguir atendiéndose con ese mismo proveedor. Para algunos proveedores, es posible que necesite una remisión de parte de su PCP.
- Molina One Care trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores dentro la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.
- En caso de que deba acudir a un proveedor y no esté seguro(a) de si este ofrece las adaptaciones que usted necesita, Molina One Care puede ayudarle. Hable con el Administrador de Atención de Enfermería o con Servicios para Miembros para obtener ayuda.
