

## Childhood Dental Exam Rewards Program

### Who is eligible for the Well-Baby Visit Reward program?

- HealthChoice Illinois Members who are between 0-2 years of age.

### Why should we participate?

- ✓ Parents of children who receive routine dental exams help maintain good oral health and support their baby's overall health and well-being.
- ✓ Members who qualify and take their babies for one (1) dental exam between the ages of 0-2 **may earn a \$25 Gift Card!**

### Dental Exams

#### Why are they important?

- Dental check-ups educate parents and caregivers on maintaining their children's oral health.
- Regular dental checkups can reduce the risk of cavities and tooth decay.

#### When does my baby need their appointments?

- All children should have at least one or more dental exam between the ages of 0-2 years of life.

#### What are the rewards?

- Children 0-2 years old can earn a \$25 Gift Card when they have completed one (1) dental exam.

### How can we participate in the Well-Baby Visit Reward program?

**Step 1:** Qualifying Molina Members will complete a dental exam during the required timeframes:

- ✓ 1 dental exam between 0-2 years of life

**Step 2:** After your baby's appointment(s), visit the "Member Rewards" Page for information on reporting their visit(s) and how to select a gift card. This must be completed by 1/31/2027 to claim a 2026 reward. Provide updated contact information to ensure proper delivery of the reward(s).

**Step 3:** Molina will send your Gift Card(s) for taking your baby to their required dental visit within 6-8 weeks of receipt of the bill from your doctor and receipt of a reward form.

## Incentive Eligibility Requirements

The following requirements must be met to receive the incentive:

- Members must schedule and receive recommended screenings within the service's required timeframe.
- Members must be enrolled with Molina Healthcare of Illinois at the time services were completed to qualify for the reward(s).
- Members may not receive more than one incentive for the same service in a measurement year.
