

TEAM KENTUCKY

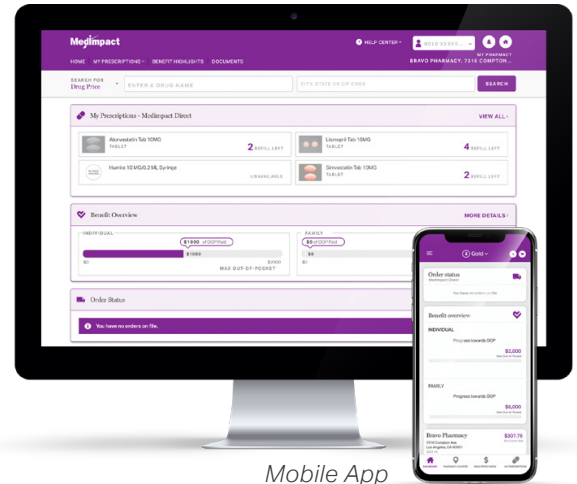

MedImpact Consumer Portal

YOUR RX PORTAL AND APP

Your pharmacy benefits, right at your fingertips.

The MedImpact Rx portal and mobile app help you manage your health.

Mobile App

It's easy. Access personalized pharmacy information from your computer or phone:

Your Medications

- View your Prescription history

Your Benefit Dashboard

- See remaining refills and expiration dates
- View prior authorization status

Pharmacy Locator

- Find the participating pharmacies closest to you
- Use our interactive maps and get directions and contact info

NEW FEATURE Medicine Chest

- Manage your daily medications
- Set reminders
- Track when you take your medications
- Send reminders to your smart phone or Apple Watch

Medication FAQs

- Read medication descriptions and drug interactions
- Learn how to take and store your medications

NEW FEATURE Vaccine Module

- Find the nearest pharmacy offering flu shots and other important vaccines

Let's go.

Get started by registering at kyportal.medimpact.com and/or download the app at the App Store or Google Play by searching "MedImpact."
