Michigan Medicaid Provider Directory

Your Extended Family.

## **Thank you for choosing Molina Healthcare!**

### **Using this directory:**

#### **What is a Primary Care Physician?**

Your Primary Care Physician (PCP) is your personal health care doctor. Medical services are managed by your doctor, who is best qualified to direct your care. For specialized care, your PCP may refer you to a specialty doctor or you may choose to receive care from a specialty doctor in the Molina network.

#### **Choosing a Primary Care Provider**

You should pick a PCP for each person in your family. You do not have to pick the same doctor for each person. PCPs are doctors that give care in Family Practice, General Practice, Pediatrics, Obstetrics and Gynecology and Internal Medicine. Your PCP will take care of your health care needs. Look in the Molina Provider Directory for a list of Molina Healthcare PCP's names and addresses. If you want to change your PCP, you may call Member Services or access MyMolina.com.

If you have special health issues and need to choose a Specialist as your PCP, please call Member Services for help.

#### **Self-Referral to Participating Providers**

Always consult your PCP first. However, referrals are not required for you to access a Specialist doctor or other doctor.

#### **After-Hours or Non-Emergency Care**

If your provider's office is closed or your provider cannot see you right away, there are some steps you can take to stop your injury or illness from getting worse.

1. Call your PCP for advice. Even if your provider's office is closed, the office has someone available 24 hours a day, 7 days a week who will let you know what to do
2. If you cannot reach your provider's office, call Molina Healthcare's 24-Hour Nurse Advice Line. Nurses are always available to answer your questions.
3. Go to a participating urgent care center listed in the Molina Healthcare provider directory. You do not need permission from a provider to go to an urgent care center.

#### **How are providers listed?**

Providers are listed by the State, County, Specialty, and Provider Name.

#### **Receiving care from a Specialist or Other Provider**

You may need to see a specialist or get other types of services. A specialist is a doctor that has training to treat a medical disease or condition. Other health companies offer services that help you get well. These services include medical supplies and home health care.

**What if your doctor is not listed?**

If your doctor is not listed, please visit our website at [mymolina.com](http://mymolina.com) for the most updated information or call Member Services. We are constantly adding new doctors to our health plan to better serve our members.

**What if my doctor's information is wrong?**

To report wrong information in the provider directory, you may report this at [mymolina.com](http://mymolina.com) or by calling Member Services.

**What if I need transportation?**

If you need a ride to your appointments, Molina is here to help. Call us at 888-898-7969 (TTY: 711), 24 hours a day, 7 days a week and choose the transportation option. Transportation is coordinated through Access2Care. You must call at least 3 days before your appointment. Access2Care can accommodate all languages including American Sign Language.

**What if I need this directory in a different format?**

You have the right to get this directory in a different format, such as audio, braille, large font or in your preferred language at no cost to you by calling Member Services.

**Contacting Molina**

Members may contact Molina via a method below:

- MyMolina.com to change your doctor, request a new ID card and update your personal information 24 hours a day.
- Molina Members can call the Nurse Advice Line with health questions at 888-275-8750 (TTY: 711) 24 hours a day.
- Member Services at 888-898-7969 (TTY: 711), Monday - Friday 8:00 a.m. to 5:00 p.m.

The information in this directory is subject to change. If you have any questions regarding the status of a provider, please contact Member Services.
