

Stay healthy with your Essential Plan OTC benefit!

Affinity by Molina Healthcare offers the **Essential Plan Enhanced Care Benefit**. With this benefit, you can shop for over-the-counter (OTC) health essentials at no cost to you.

How does it work?

The Essential Plan OTC benefit helps cover the cost of eligible health and wellness products. Affinity members get **\$25 every month (\$300 a year)** to buy approved groceries and other health care items. Unused money **does not** carry over, so the entire amount must be spent every month.
