Welcome to Molina Healthcare!

As a new member, it's time for your child to start getting the most from their CHIP coverage! Be sure to take these simple steps right away:

1

Look for your child's member ID card inside this packet

- Make sure the information on the card is correct.
- Always keep their ID card with you. Show it every time they get medical care or visit the pharmacy.

2

Download the My Molina® mobile app

- Our My Molina mobile app lets you view, print and send your child's member ID card. You can search for doctors, change your PCP and much more. Anytime, anywhere!
- Download the My Molina mobile app today from the Apple App Store or Google Play.

Thank you for choosing Molina as your child's trusted health plan. We're happy to have them as a member of our health care family.

3

Schedule a visit with your child's primary care provider (PCP)

- Your child should visit their PCP even if they're not sick to get set up as a new patient. Their PCP needs to get to know them and their health history. The more your child's PCP knows, the better they can help your child.
- Your child's PCP's name, phone number and location are listed on their member ID card.
- If you don't want to see the PCP listed on your child's ID card, you can change providers by using the My Molina mobile app, visiting [MyMolina.com](https://www.mymolina.com) or calling Member Services at (877) 449-6849/ (877) 319-6826 - CHIP RSA (TTY: 711).

Your child's PCP should get to know their medical history. Think of their PCP as their medical home and the doctor who knows them best! Once your child is set up as a new member, you'll want them to see their PCP for regular checkups.

Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Molina Healthcare of Texas, Inc. (“**Molina Healthcare**”, “**Molina**”, “**we**” or “**our**”) uses and shares protected health information about you to provide your health benefits. We use and share your information to carry out treatment, payment and health care operations. We also use and share your information for other reasons as allowed and required by law. We have the duty to keep your health information private and to follow the terms of this Notice. The effective date of this Notice is January 1, 2026.

PHI stands for these words, protected health information. PHI means health information that includes your name, member number or other identifiers, and is used or shared by Molina. PHI includes health information about substance use disorders and biometric information (like a voiceprint).

Why does Molina use or share your PHI? We use or share your PHI to provide you with health care benefits. Your PHI is used or shared for treatment, payment, and health care operations.

For Treatment Molina may use or share your PHI to give you, or arrange for, your medical care. This treatment also includes referrals between your doctors or other health care providers. For example, we may share information about your health condition with a specialist. This helps the specialist talk about your treatment with your doctor.

For Payment Molina may use or share PHI to make decisions on payment. This may include claims, approvals for treatment, and decisions about medical need. Your name, your condition, your treatment, and supplies given may be written on the bill. For example, we may let a doctor know that you have our benefits. We would also tell the doctor the amount of the bill that we would pay.

For Health Care Operations Molina may use or share PHI about you to run our health plan. For example, we may use information from your claim to let you know about a health program that could help you. We may also use or share your PHI to solve member concerns. Your PHI may also be used to see that claims are paid right.

Health care operations involve many daily business needs. It includes but is not limited to, the following:

When can Molina use or share your PHI without getting written authorization (approval) from you?

The law allows or requires Molina to use and share your PHI for several other purposes including the following:

Legal or Administrative Proceedings Your PHI may be used or shared for legal proceedings, such as in response to a court order.

Law Enforcement Your PHI may be used or shared with police to help find a suspect, witness or missing person.

Health and Safety Your PHI may be shared to prevent a serious threat to public health or safety.

Government Functions Your PHI may be shared with the government for special functions. An example would be to protect the President.

Victims of Abuse, Neglect or Domestic Violence Your PHI may be shared with legal authorities if

we believe that a person is a victim of abuse or neglect.

Workers Compensation Your PHI may be used or shared to obey Workers Compensation laws.

Other Disclosures Your PHI may be shared with funeral directors or coroners to help them do their jobs.

Additional Restrictions on Use and Disclosure Some federal and state laws may require special privacy protections that restrict the use and disclosure of certain types of health information. Such laws may protect the following types of health information: alcohol and substance use disorders, biometric information, child and adult abuse or neglect including sexual assault, communicable diseases, genetic information, HIV/AIDS, mental health, minors' information, prescriptions, reproductive health, and sexually transmitted diseases.

Substance Use Disorder (SUD) Information Although we are not a substance use disorder treatment program under federal law (a "SUD Program"), we may receive information from a SUD program about you. We may not disclose SUD information for use in a civil, criminal, administrative, or legislative proceeding against you unless we have (i) your written consent, or (ii) a court order accompanied by a subpoena or other legal requirement compelling disclosure issued after we and you were given notice and an opportunity to be heard.

When does Molina need your written authorization (approval) to use or share your PHI? Molina needs your written approval to use or share your PHI for a purpose other than those listed in this Notice. Molina needs your authorization before we disclose your PHI for the following: (1) most uses and disclosures of psychotherapy notes; (2) uses and disclosures for marketing purposes; and (3) uses and disclosures that involve the sale of PHI.
