

You Might Be Impacted by a COVID-19 Policy Ending on August 31, 2023

We, **Molina Healthcare**, are your STAR+PLUS health plan. We need you to know that a temporary COVID-19 flexibility will be ending soon and your STAR+PLUS Medicaid benefits may be affected.

Due to COVID-19, HHSC Changed How You Can Join STAR+PLUS HCBS

The federal government declared a public health emergency in January 2020 in response to COVID-19. Due to the public health emergency, the Texas Health and Human Services Commission (HHSC) extended a flexibility to STAR+PLUS members like you. Using this flexibility, you could apply for the STAR+PLUS Home and Community Based Services (HCBS) program even if you already moved from a nursing facility into the community. This flexibility will end on **August 31, 2023**.

Beginning on **September 1, 2023**, if you are living in a nursing facility, you must apply for the STAR+PLUS HCBS program and have services in place before leaving the nursing facility.

You Can Still Apply for STAR+PLUS HCBS

If you reside in a nursing facility and wish to get services in the community, contact your **Molina Healthcare** service coordinator and ask about applying for STAR+PLUS HCBS. Make sure to apply for STAR+PLUS HCBS before leaving the nursing facility.

Beginning on September 1, 2023, if you leave the nursing facility without STAR+PLUS HCBS in place:

- You won't be able to join STAR+PLUS HCBS after you leave the nursing facility, and **you will lose your Medicaid coverage**.
- You can still be added to the STAR+PLUS HCBS interest list. Once you are at the top of the interest list, you can apply for STAR+PLUS HCBS. If you are determined eligible for STAR+PLUS HCBS, you will regain your Medicaid coverage.

If you don't live in a nursing facility but started the STAR+PLUS HCBS application process on or before **August 31, 2023**, your application for STAR+PLUS HCBS will still be reviewed. If you are approved, you'll be enrolled into STAR+PLUS HCBS.

If you already have STAR+PLUS HCBS, this policy change will not affect you if you continue to meet the program's eligibility requirements.
